

# Recall Campaign

December 2006  
FL483A  
NHTSA #06V-423

## Copy of Letter to Owner Subject: FCCC Front Axle Tie Rod Thread Engagement

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. This notice is also sent in accordance with the Canadian Motor Vehicles Safety Act.

Freightliner LLC, on behalf of its wholly owned subsidiary, Freightliner Custom Chassis Corporation, has decided that a defect which relates to motor vehicle safety exists on specific Freightliner Custom Chassis XC chassis manufactured with TRW AS120 suspensions and 12,000 lb. front axles built between April 4, 2005, and October 13, 2005.

You may have received a notice for Field Service Campaign SF332AB in August of 2006. **This letter is to notify you that SF332 has been replaced by Recall FL483.**

If you have had SF332 done, no further work is needed. You may disregard this notice. If you have not had SF332 done, we urge you to have recall FL483A performed at your earliest convenience.

Certain vehicles may have been manufactured with tie rods that are too short for the axle assembly. The tie rod ends may separate under certain conditions, resulting in reduced steering control. Such an event may lead to a crash without prior warning.

The tie rod will be inspected and assemblies that are too short will be replaced.

Repair kits are now available for authorized dealers to order. Contact your authorized dealer to arrange to have your vehicle(s) modified and to assure that parts are available at the dealer. To locate a dealer, search online at [www.FreightlinerCustomChassis.com](http://www.FreightlinerCustomChassis.com) or contact the Warranty Campaigns Department for assistance.

When you contact your dealer, refer to campaign number **FL483A**. Once kit(s) are received at the dealership, the modification may take up to two hours and will be performed at no charge to you.

**IMPORTANT:** When the recall has been completed, please ensure that a label has been affixed to your vehicle referencing **FL483A**.

If you do not own the vehicle that corresponds to the identification number(s) which appears on the Recall Notification, please return the notification to the Warranty Campaigns Department with any information you can furnish that will assist us in locating the present owner. If you have leased this vehicle, Federal law requires that you forward this notice to the lessee within 10 days. If you have paid to have this recall condition corrected prior to this notice, you may be eligible to receive reimbursement. Please see the reverse side of this notice for details.

If you are not able to have the defect remedied without charge and within a reasonable time, which is not longer than 60 days after you tender the vehicle for repair, please contact the Warranty Campaigns Department at (800) 547-0712, 7:00 a.m. to 4:00 p.m. Pacific Time, Monday through Friday, e-mail address [WarrantyCampaigns@freightliner.com](mailto:WarrantyCampaigns@freightliner.com), or the Customer Assistance Center at (800) FTL-HELP or (800) STL-HELP, after normal business hours. You may also wish to submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 7th Street SW, Washington, DC 20590; or call the Vehicle Safety Hotline at (888) 327-4236 (TTY: 800-424-9153); or to <http://www.safercar.gov>. If your vehicle is involved in the Canadian portion, you may wish to notify Transport Canada, ASFAD, Place de Ville Tower C, 330 Sparks Street, Ottawa, ON K1A 0N5, or phone (800) 333-0510.

We regret any inconvenience this action may cause but feel certain you understand our interest in motor vehicle safety.
