PRESIDENT'S MESSAGE

By Steve Batorson

Time seems to be absolutely flying by this year. I guess it is because I have been on the go since the year started. I attended the FMCA Western Rally in Indio, CA, followed by the Tampa Super Show and then the Good Sam Rally in Phoenix. So time at home has been very little.

The main reason for me attending these shows is to meet and speak with the members and prospective members of the club. We always strive to understand what our members want this club to be so they see value in being a member. I really appreciate all the feedback I received at these locations and have added many notations to my notebook.

In the last newsletter I talked about a survey going out to those who have e-mail addresses in their individual profiles. That has happened and we have been receiving data back, and if you didn't take the survey, you still can. We will look this over and see what we can implement into our club.

We have a National Rally coming up at the end of March in San Diego and also one near the end of April in Sarasota. We have been working on rewriting our By-Laws and Standing Rules now that we are a stand-alone club. We will have a business meeting at the Sarasota Rally so we can vote on the new documents and make them official. We formed a committee to work on these documents and then had the entire board make comments, corrections, and or changes. By the time you read this, they will be posted on the website for all to read. If you have a comment please send it to me at president@fcocrv.org.

A question I get asked very often is "does my membership number stay the same in our club?" The answer is yes, it stays the same. Even if you were to leave FMCA (which we are not advocating) they do not reuse those numbers, so they stay unique to you. For the new members, who were never a member of the FMCA, we have a numbering system that starts at F700000 and we are issuing those number when new members join our club.

One other change we are making is, we have changed our logo, you will see this appearing from now on.

I hope to see you at the upcoming rallies.

A Message from the Senior Vice President

By Barbara Knutson

We are off to a good start with our rallies this year. Roy and Kathy Hopper did the Super Show in Tampa with 42 coaches. Katherine Henley held an Area Rally in Fredericksburg, Texas the first week of March.

The end of March, Mary Costigan and Tom James will do one in San Diego, CA and then we move on to Sarasota, Florida in April, Amana, IA in June and Concord, NC in October. All registration forms are in this issue. I hope you will attend at least one of the rallies.

We are in the process of planning 2016 rallies. We hope to have one in Yuma, AZ in the Spring, and have scheduled one in June for Foxboro, MA, Alabama in October and working on one in Colorado. I will keep you informed when we have more information.

We are in need of Rally Masters and Assistant Rally Masters. If you would like to volunteer, please let me know. We will help you in the learning process.

Barbara Knutson, Sr. Vice President

Custom Chassis

Driven By You

By Bob Harbin

Spring 2015

What a busy and exciting start to 2015 it has been for all of us here at Freightliner Custom Chassis, and we certainly hope the same is true for you. My letter in the most recent issue of the newsletter covered the many great things we experienced at the recently completed RVIA show in Louisville in early December.

This included the official launch of UltraSteer, the RV industry's first line of fully integrated and precision-tuned tag axles. Available in both I-Series (formerly iTag) and B-Series configurations, UltraSteer provides full control and precise maneuvering in all conditions for RVers, as well as increased safety, the elimination of tire wear and lower overall coach maintenance. It is, as we said during our unveiling, the new foundation of the driving experience luxury OEMs want to provide their customers. The first luxury RV models built featuring UltraSteer will begin to hit the market later this year, to the great excitement of both dealers and RVers like you.

Indeed, we've seen a lot of excitement for what 2015 - and beyond - holds as we've interacted with many of you at several rallies, gatherings and other RV events since the beginning of the year. From Florida to Arizona, and at many points in between, folks are excited about getting back out on the road and loving what their FCCC-powered RV makes possible for them.

Just like we wear our commitment to you on our sleeves, we want you to be able to wear your love for FCCC on your chest. If you recall, the other product we debuted at RVIA was our new line of 4UZ apparel and merchandise.

The new line is named for the first three digits of FCCC RV chassis VIN numbers, and it features premium hats and jackets with our newly created 4UZ logo. It also features a line of lifestyle T-shirts capturing the spirit of what it means to drive FCCC. Just like FCOC itself, 4UZ is something special only for owners of RVs riding on chassis from FCCC. I'm pleased to share we're getting closer to the full launch of the line, which you'll be able to view and purchase online in the coming months.

In the meantime, I wish you happy travels as spring finally gets here and summer starts to get closer. And, as always, I look forward to meeting with as many of you as I can throughout the remainder of 2015.

Happy trails,

Bob Harbin, President, Freightliner Custom Chassis Corporation

TAMPA RV SUPER SHOW RALLY

January 13-18, 2015

By Roy Hopper

The FCOC Southeast Area Rally had 41 coaches in attendance making it our largest Southeast Area rally to date. Some were not from the Southeast area but were spending the winter in Florida. Every afternoon there was a Meet and Greet with lots of good fellowship, a delicious potluck dinner the first evening, and coffee and donuts at the Freightliner tent the following morning sponsored by the FCOC Club.

This group picture was taken right after registration.

Many vendors were present and each evening there was great entertainment, including the Rivoli Revue.

Wednesday evening 75 of our members carpoled to the Spaghetti Warehouse in neighboring Ybor City, FL and enjoyed wonderful Italian cuisine.

The FCOC OPERATIONS WEST RALLY IN FREDERICKSBURG, TX

By David Cuthbertson

The Rally kicked off on schedule in spite of threatening weather at the Oakwood RV Resort in Fredericksburg, TX with Rally Masters' Katherine and Larry Henley at the helm. Thursday, March 5, 2015 with the 42 in attendance registered, social hour gave everyone the opportunity to become acquainted and get names on the "Name Bingo Sheets". A fantastic way to get the 16 First Timers involved. After dinner everyone had fun playing the card game "Up Yours".

On Friday night after a wonderful Mexican dinner, we all departed for the "Rock Box Theater." Katherine, always coming up with good ideas to make every rally just a little special had reserved seats for a concert with George Strait, Marilyn Monroe, Gloria Estefan, Barry White and others, who put on an incredible performance. No, not the real ones, but they were pretty darn good imitations.

Saturday morning, after biscuits, gravy and sausage it was shopping, exploring the town and museums on our own. Pot Luck dinner with meat provided that evening. So much food and as pot lucks usually go everyone brought their favorite dish. Need I say more? Oh yes! Thank you, Katherine and Larry for another fun rally and they thank all who volunteered. These events cannot happen without your help.

We have planned a National FCOC Rally at Ver-El Mobile Village, 5650 Sandusky Blvd, Concord NC. The dates for the rally will be October 19th through 23rd, 2015. Only 80 spaces are available. We will have Seminars, Crafts, Ladies Tea, Tour of Charlotte Speedway and NASCAR Garages and more, Freightliner techs and trailer, along with Happy Hour each night.

Rally Fees are for four breakfasts and four dinners. We will have a box lunch for those on the tour.

Ver-El RV Park Charlotte Motor Speedway (Lowes Speedway)

The cost is \$300.00 for a coach with two occupants, \$201.00 for a single coach, and \$99.00 per person for extra persons attending.

The tour is \$62.00 per person, which includes the box lunch but the club is paying for the box lunch so that will bring the tour price down to \$52.00 per person. That \$52.00 includes tips for the guides.

There is a \$25.00 Cancellation Fee, and No Refunds will be made after October 1, 2015.

Anyone can access our web site without logging in by going to www.FCOOCR.V.org. But when a member wants to update their Member Profile or pay their dues they need to log in with two pieces of information: a Membership Number and a Password. When a member experiences a problem it is usually because they forgot to include the letter “F” at the front of their Membership Number or because they forgot their Password. Members who have an FMCA number can continue to use that as their Membership Number, but new members can be assigned a new FCOC number which starts with “F70 “ (see below). If a new member joined online at our web site they provided their own Password at that time. New members who applied by mail will have a temporary Password that consists of their five-digit ZIP Code. Members can change their Password at any time by logging in and updating their Member Profile. Those wanting to join FCOC can go to Membership on the main menu at the top of the page, then select “Join FCOC”. They will have the option to join online or to download a Membership Application Form in PDF format.

Our Club has a new Discount Program with the O'Reilly Auto Parts stores. They have over 3,700 stores nationwide.

When you visit an O'Reilly Auto Parts Store, **THE FIRST THING TO DO**, IS ASK FOR THE STORE MANAGER, TELL HIM THAT YOU HAVE A NATIONAL FCOC ACCOUNT. Give him the account number **1284975**.

Remember, the account is under **FCOC**, not Freightliner Chassis Owners Club.

Remember, this discount program is only for BACK COUNTER PARTS (e.g. heavy duty truck parts, thermostats, alternators, etc.), and the discount percentage depends upon the products you buy. Most items in front of the counter are priced so low, they don't have a discount.

At every checkout, you must present your membership card (if it is not up-to-date, you will not get the discount). This is a program for FCOC members only. O'Reilly will monitor our club to verify there is no abuse of the program.

We offer 10% discount on labor and small fleet parts pricing to all FCOC members.

Offers from Oasis Dealers

Freightliner Custom Chassis Corporation (FCCC) and select Freightliner Oasis dealerships around the country have initiated a program offering members of the Freightliner Chassis Owners Club (FCOC) special pricing on service labor and service parts.

The program offers current FCOC members the following discounts:

- 10% off posted labor rates
- 10% off parts

It is important that you do the following; if you don't you may not get the discount and it will be your own fault!

You MUST tell them you are an FCOC member up front, request the discount, and identify yourself by showing your current membership card. Ask to get a copy of your billing with the discount on it once your work is done.

In developing the Oasis Dealer Discount Program all Oasis Dealers were contacted and invited to participate. But, participation in the Oasis Dealer Discount Program is a business decision made by each individual Oasis Dealer.

If the Oasis Dealer you wish to use is not on the list of participating dealers we would encourage you to let them know of your desire to have them participate in the program. Dealers wishing more information about the program should contact Tom James (916) 870-9322, email VP.busdev@fcocrv.org. Also, if you have any problem with any Oasis Dealer on the list let Tom James know and he will try to help.

As a reminder, it's up to you to **ask first** for the Discount, not after.

The following is a list of currently participating Oasis dealerships.
