# OFFICERS' MESSAGE

Greetings to all members!

We are now in the middle of summer with two rallies down and two to go. With the price of fuel being as low as it is – and judging from the phone calls I have received – almost everyone is on the move, out enjoying not only the USA, but Canada as well. So far this year, I have been as far west as LA and as far east as Boston, and still to go, is north to Coeur d'alene and then back east to Dillard, GA. If those cities sound familiar, they should! We have upcoming rallies in both cities in the near future.

Speaking of rallies, we have board members all over the country right now searching for locations for future rallies. Linda Murphy has been to Myrtle Beach, with a rally scheduled for October 22-26, 2017, and also to Elkhart, IN, for a rally July 16-20. Mary Costigan has been checking out the Phoenix, AZ, area, and found a resort in Mesa for April 2017. And Roy Hopper has been to Lazy Days to set up a rally for February 6-10. Lastly, but certainly not least, Barb Knutson is out west scouting around the South Dakota area, looking for any promising locations for the future. As you can see, it is no small job to locate and secure the dates, caterers and entertainment, and it all has to be done nearly a year ahead of time so we can get the information to our members, as well as Freightliner so they can do the scheduling to support us. We are trying our best to have this all wrapped up by time the next magazine comes out.

We have placed an order for more of the club shirts that we have been selling for several years. By the time you read this, they should be in our hands so that you can again purchase them. Our supplies were getting low, but this will ensure all sizes will now be available. We are also looking into purchasing new caps and visors that will have our new logo on them. A supplier has not been chosen as of now, but we are looking and should have one soon.

We held our yearly business meeting at the Normandy Farms Rally, and the minutes of that meeting are on our website for your review. While there was not much business at the meeting, the most important detail was the election of officers. I would like to thank the all the officers that were elected this year, and those that have served the club in the past. I would also like to thank Carol Julian for being our care person. Carol and her husband Jim have sold their motorhome and are on to new adventures in their lives. Best wishes to you both.

If you have noticed in our magazine, Freightliner has advertised about the 24/7 application for your smart phone – available for iPhone or Android. I, unfortunately, had the need for this on the way from Arizona to Boston this last trip. I can tell you that when something unexpected happens and you are in a very difficult situation, it is great comfort to be able to pull out your phone and be connected to Freightliner 24/7 with one touch. As club president, I receive up to 10 calls

per week to either the club phone or my cell phone from members trying to contact the Freightliner 24/7 hotline – either they don't know the number, or they dial my number intending to dial the hotline. I will always give them the correct number, but it's their loss to add the extra step of calling me and lose time getting to the hotline!

In my case, the motor quit. I was sure this was not a Freightliner issue, but knew their app had the information I was looking for: the closest CAT dealer. They were able to give me the information I needed quickly, even though it was a Saturday morning. I was able to call the Cat dealer – who informed me they could not do anything on a weekend – however; they did give me some other options that helped me to find the services I needed. I can tell you first hand that panic sets in when you run into trouble on the road, and the less you have to worry about as far as phone numbers and getting help goes, the better, and this is the very best solution.

Now to further help yourself, you should have your last six digits of your VIN ID written down, along with engine manufacturer, model number and HP. I would also have this information noted in more than one place. I now have it on the back on my membership card for the club, on my road service card and with my registration and insurance documents that I carry as well. Even though I hope to never need it again, I'm glad I am now properly prepared.

TO ALL: TRAVEL SAFE! I HOPE TO SEE YOU DOWN THE ROAD.

# MESSAGE

FROM

Greetings, fellow FCOC members!

I hope this latest issue finds you well and continuing to enjoy your summer. While fall colors and football tailgating will be here soon, there is still plenty of time to get out on the road to take in the sunshine and summer temps.

Speaking of being on the road, it's been an incredibly busy and productive summer for our team here at FCCC. As you'll see in the pages of this quarter's issue, our team has been a constant presence at a number of rallies across the country the past few months, talking with RVers like you and making sure you're getting the most out of your coach and its chassis. As you'll also see in this issue, fall will continue to be a busy season for us, as we have several more rallies and other RV events we'll be at. If you're at any of the upcoming rallies listed in this issue, please stop by and say hello!

Those of you who've visited with us at recent rallies may recall us displaying our 4UZ-branded apparel. The enthusiasm for and response to the apparel has been outstanding - so much so, in fact, that we're excited to make 4UZ apparel available to everyone via our new online store, **4UZRv.com**. There, you'll find a great selection of our 4UZ shirts and hats available for purchase and delivery right to your door. There's no better way to show your RVer pride than through this great - and growing - line of apparel.

Of course, that's not the only online project we've been working on recently. After an intensive process driven by valuable feedback and input from members like you, we recently - and proudly - launched the new **FCOCRv.com**. As you'll see, the FCOC site is packed with information, easy to navigate and of course resourceful. This site focuses on you - the members. Starting at the homepage, our new and improved site makes it simple for you to log in, view past and future rallies, review issues of *RV Soul*, get connected with our FCCC social platforms and more. **FCOCRv.com** makes your membership easy and enjoyable. After you've experienced the new **FCOCRv.com**, we'd love to hear your feedback and input.

There are two additional articles we are excited to share with you in this issue: 1) An informative and enlightening partner showcase with Thor, one of the industry's most venerable and respected names. We are proud of our long-time partnership with Thor and its many brands, and we're excited about the world-class products we will continue to produce with them for years to come. And 2) another great profile of two of your fellow FCOC members, Tom and Sally Bernardi. As you'll see, they're making the most out of retirement by spending a lot of time (and miles) in their RV.

Lastly, and as always, you can engage with your fellow owners and club members through our active social media presence. Like us on Facebook at **Facebook.com/DriveFCCC**, and follow us on Twitter at **twitter.com/DriveFCCC**. Share photos and stories of your travels with us - and we'll share them with our audience of RV enthusiasts.

In the meantime, safe travels and happy trails.

DAVID CARSON  
*FCCC President*

NEWS AND UPDATES  
FROM OUR HEADQUARTERS IN GAFFNEY, SC

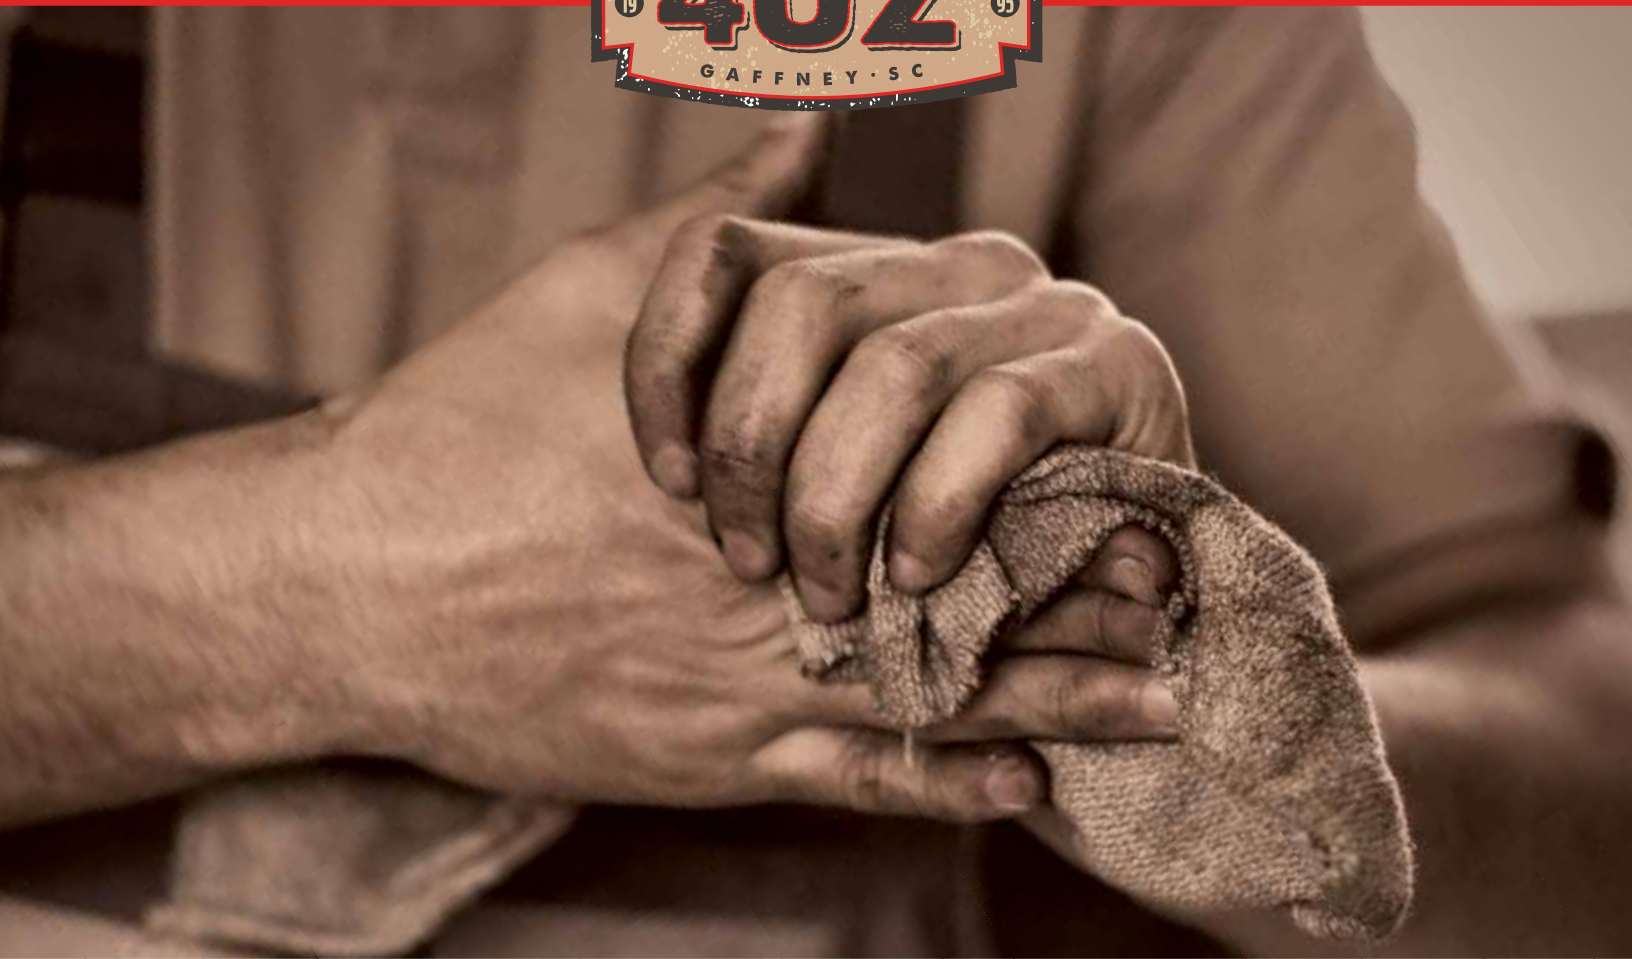

## INTRODUCING 4UZRV.COM

Our team at FCCC first introduced the 4UZ apparel line to you, the FCOC Club, at a few select rallies last summer. Now, we're making it readily available to you –and all RV enthusiasts – at 4UZRV.com.

Many of you likely recognize 4UZ as the first three digits of your RV chassis VIN number. We call this clothing line 4UZ because it's focused on the RV lifestyle – the adventure, the fun and the experiences that are unique to those who live life on the road.

Swing by 4UZRV.com today to snag your 4UZ gear, and be sure to tag us in your photos on Facebook!

## 4UZ. IT'S OUR CULTURE.

Owners of premium RVs built on Freightliner Custom Chassis recognize 4UZ as the first three digits of their Vehicle Identification Number. For us, it's a symbol of pride in our top-quality, American-made workmanship. All those who share that pride are invited to visit [4UZRV.com](http://4UZRV.com) and check out our unique merchandise that captures the spirit of our culture. It's a pride that's born and bred in Gaffney, South Carolina and *Driven by You*.

Headed to our neck of the woods? Stop by for a tour and soak up our Southern hospitality.

# UPCOMING RALLIES

## BLACKWELL ISLAND RV RESORT SEPTEMBER 19-22, 2016

Blackwell Island RV Resort is located at the headwaters of the Spokane River in the city of Coeur d'Alene, Idaho (pronounced core-da-lane.) The RV park is at the heart of recreational activity in the Inland Northwest, complete with festivals, fairs, concerts, unique bistros, elegant restaurants, a thriving downtown, mall shopping and much more.

The local names are a mix between Native American and French, because the French had a strong presence in what is now known as northern Idaho in the early 1900s. Early French-speaking fur traders named it Coeur d'Alene Lake. According to legend, the traders believed the local Indians to be sharp traders, and called the lake Coeur d'Alene since their hearts were as sharp as an awl. It's a town with a rich background in lake steamers, fur trading, logging and mining. The Canadian border is 90 miles to the north.

Located near historic downtown Coeur d'Alene, Blackwell Island RV Resort is the perfect destination for RVers looking for relaxation or adventure. We are just steps away from some of the northwest's finest attractions, including world class golfing, dining, shopping, lake cruises, boating, parasailing, hiking, biking, live theatre and concerts. We are less than an hour from more shopping, waterparks, wine tours, scenic drives, gambling casinos, hunting and fishing, the city of Spokane, the world's longest gondola ride, more golfing, mining tours, Silverwood Theme Park and the Bird Aviation Museum. Please tell our staff what you like to do, and we will be more than happy to guide you in the right direction.

Independently owned and operated by the Hall family since 1998, we offer RVers a comfortable, enjoyable and restful stay. The beautifully appointed RV location of Blackwell Island was built by the Halls to become the most desired RV travel destination of the Inland Northwest. Blackwell Island RV is a daily rate park offering 182 full hook-up sites. We have a large enclosed dog run, walking trails, dock moorage, pontoon and kayak rentals, facilities for large or small group gatherings and 500 feet of beach. This seasonal park opens April 1 and closes for the season on October 15.

## THINGS TO SEE AND DO WHILE IN COEUR D'ALENE!

**DOWNTOWN COEUR D'ALENE** is a memorable place filled with wonderful beaches, hiking and biking trails, parks, shops, galleries, coffee houses, restaurants and a world-class spa. Each season has its delights. There is always something new to capture your eye – and your imagination.

If an adrenaline rush is what you're seeking, **TIMBERLINE ADVENTURES'** new Zip Line Canopy Tour really delivers. It begins with a fun four-wheel adventure to the start of the ultimate treetop zip line experience. You fly through towering Ponderosa Pine and Douglas Fir forests, past a bald eagle habitat and overlook jaw-dropping views of Lake Coeur d'Alene.

Wine-lovers can enjoy artisan-crafted local wines at **STUDIO 107** in a comfortable tasting room with fine art, glasswork and custom-designed jewelry. It's a treat for all the senses.

And anyone with a sweet tooth will appreciate the retro indulgences of **MRS. HONEYPEEPS SWEET SHOP**, where vintage candy is made with modern sensibility toward healthy eating.

Free carriage rides from STCU are offered downtown every Wednesday from 4–7 pm.

**FIGPICKELS TOY EMPORIUM** is more than a toy store for all ages – it is a must-see, must-play, must-have-fun destination at one of the nation's premier specialty toy stores. With antique, retro and toys from around the world, Figpickels' friendly environment is all hands-on, so shoppers are encouraged to play. Stop in seven days a week to experience the wonder of this unique shop at its location in The Resort Plaza Shops.

And let's not forget the Golfers at our Rally. The **COEUR D'ALENE RESORT GOLF COURSE** provides an unmatched waterfront golf experience. Designed along the shores of Lake Coeur d'Alene, it ranks among the best in the world for personal service and beautifully manicured play. The award-winning round includes a wooden boat ride from The Coeur d'Alene Resort, over-the-water driving range, personal forecaddie, custom golf cart and plenty of incredible views. But the finest challenge – one of the best known in golf – is the famous floating green on the 14th, a man-made island that changes location.

## THINGS TO SEE AND DO IN DILLARD.

**PRIMITIVE OUTBACK, INC. KAYAKING & GEM MINING:** Bring your family, rent your kayaks and head down Little Tennessee River. While on the 2.5-3 hour trip, you'll see otters, beavers, birds, as well as many types of stones the staff will help you to identify – rubies, topaz, amethyst, emeralds and more are very common discoveries for kayakers! Just four miles from Dillard, everything you need is supplied. *Learn more: 828-349-1717 or [primitiveoutback.com](http://primitiveoutback.com)*

**BLACK ROCK MOUNTAIN STATE PARK:** Just three miles from downtown Dillard, it's the highest peak in Georgia, reaching 3,640 feet at its highest point. Several hiking trails, wildflowers and cascading streams and waterfalls can be found among the hills. 3085 Black Rock Mountain Parkway, Mountain City, GA

**THE 3 LEGGE ART GALLERY:** As a working studio for current artists and a museum featuring the late Joe Legge's work – along with many famous, acclaimed fold artists – it's a treasure waiting to be found on the north end of Dillard. *Learn more: 706-746-0213*

**THE APPALACHIAN TRADER:** This antique trade shop stocks old tools, cast iron cookware, crockery, fishing gear, and any other memoriam that might "take you back to the old general store or your grandma's kitchen." 1093 Franklin Street, Dillard, GA *Learn more: 706-746-5253*

**DILLARD HOUSE RESTAURANT:** Bring your appetite to Southern Living Magazine's Reader Choice Awards Best Breakfast/Brunch Restaurant. Open seven days a week for breakfast, lunch and dinner. 768 Franklin St, Dillard, GA 30537 *Learn more: 800-541-0671*

**THE MERRY CHRISTMAS SHOP:** Perhaps not the most seasonally appropriate, but definitely the most unique – and a Dillard landmark for 30 years. Located on the boardwalk next to the Dillard General Store, it's a little piece of holiday fun and cheer locals describe as a must-see. *Learn more: 706-746-5899 or [merrychristmasshop.com](http://merrychristmasshop.com)*

MESA ART CENTER

ORGAN STOP PIZZA

## THINGS TO SEE AND DO IN MESA

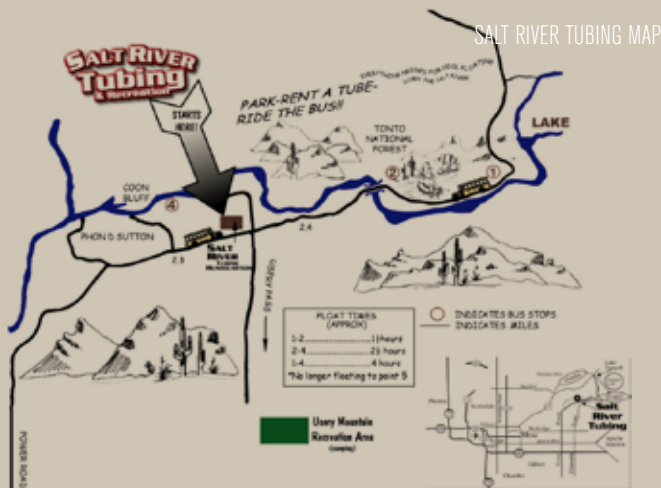

**MESA ARTS CENTER:** The area's #1 performing arts center offers a variety of entertainment, including: dance, comedy, Broadway, concerts, theater, jazz, classical and more! After a day at the rally, catch a show of your choice.

**SUPERSTITION FARM:** Named after one of Arizona's most famous peaks, Superstition Mountain, the dairy farm is happy to show you the milk process – from cow to counter. They also offer a petting zoo, market and farm tours, so there's something for the whole family! <http://superstitionfarmaz.com>

**SALT RIVER TUBING:** For just \$17, you can rent a tube and take a shuttle service to Salt River where you can choose to float for up to five hours! See image below to map out your ride. <http://www.saltrivertubing.com/float-trips/>

**ORGAN STOP PIZZA:** Home of the famous Wurlitzer Pipe Organ built in 1927, which was silenced when a fire damaged its relay. The restaurant still proudly displays the organ and offers genuine recordings of its magnificent sound in the gift shop. The Wurlitzer gets people in the door, but their affordable, delicious pizza keeps them coming back. It's a historical, entertaining stop you definitely shouldn't miss! <http://www.organstoppizza.com>

**AIRBASE ARIZONA MUSEUM:** The commemorative air force museum displays many WWII artifacts and memorabilia, including the B-17G that became known as Sentimental Journey. The aircraft speaks to many servicemen and women, as it featured pinup model Betty Grable as the nose art and was never fully restored. <https://www.azcaf.org/about/>

## YUMA RALLY

Article By Rally Master Mary Costigan and Member Jim Robertson

# RALLY RECAPS

FCOC's Yuma Rally was held April 6-10 – one week after Fleetwood's Yuma Rally, so many vendors and RV World were at both. Before, in between and after our rallies, Mike Cody held Camp Freightliner classes for attendants of either rally. This was a big plus for our members who haven't been able to travel to Gaffney for them. These classes are also held in Casa Grande, AZ, as well as other locations in the US, and are open for reservations in October of each year.

RV World of Yuma had many types of Motorhomes, all on Freightliner Chassis, and even sponsored a dinner on one of our days. Overall, we had 102 coaches and many vendors that hosted a seminar on their products, including: All Pro Water Flo Ltd, Autumn Ventures, Magna Shade, M & B Enterprises, Michelin Tires, RV Décor of Yuma, RV Safety Accessories, RV Solar Panels, RV Space Savers, RV Weigh-Mobile, Safe ID Trust and SkyMed International. Fortuna De Oro sponsored a wine and cheese hour, Michelin Tires sponsored the iced tea for all of our socials, and SkyMed sponsored a cocktail hour on our first night.

The nights were full of fun as well. We had one night of bingo, with each winner taking home a \$50 gift card. Mary led a craft on how to make a lanyard using pop-tabs. We also had new members Will and Ella Tatham,

who live onsite, conduct a line dancing class and later show our members how to play pickleball. Our last night of our rally included great entertainment from Larry Covin and Company. We want to thank all of our members, vendors and wonderful entertainment for their participation in making our rally extra special.

After dinner, it became common for us to take part in card games, such as Farkle Dice and Up Yours – held by member Katherine Henley. Thank you again, Katherine! Everyone had a great time with both games.

During the Yuma rally, our Rally Master had an outstanding plan that would give FCOC the opportunity to give back to the citizens of Yuma for their exemplary hospitality. Mary devised a plan and got to work. She invited Mike Ivers from the Food Bank of Yuma to give a description of the services they provide to the rally attendees. She then asked James and Julia Robertson, David and Elene Violette, and Don and April Frank to begin selling tickets for prizes, which were drawn during the last night of the rally.

The three couples worked the evening social hours, visiting with the FCOC membership. Ticket sales came to a total of \$1,550, which was presented to Mike Ivers and the Food Bank of Yuma. He was overwhelmed and grateful at the amount of the donation.

Lastly, we'd like to thank our many volunteers who gave us a hand in parking, registration, serving food and cleaning up. Kim Batorson was in charge of the food-serving volunteers, and did an excellent job making sure we had enough volunteers for our dinners each night.

Overall, it was a very successful rally and we couldn't have done it without all of you.

# FOXBORO RALLY

Article By Rally Master Mary Costigan

# RALLY RECAPS

Our summer rally was conducted at the gorgeous Normandy Farms Camping Resort in Foxboro from June 6-10. There were 43 coaches that attended the rally, of which half were first timers.

The Resort had one of the best-kept grounds we've seen, featuring absolutely beautiful flowerbeds throughout. The recreation hall is a structure you would expect at a ski resort, with wood beam ceilings and trusses. The Resort's staff was no exception – they were some of the nicest people we have ever worked with during one of our rallies.

For both Foxboro and Yuma, we started conducting a first-timer seminar, led by Katherine Henley, which was received very well. It served as an informal seminar to give first-time rally attendees an idea of what to expect, as well as

some information about the club as a whole. Beforehand, it is likely the only exposure they've had is a news magazine or visit to our website, so this is a way of welcoming them to both the rally and the club.

On the second day of the rally, Mary Costigan taught a crafts class on making lanyards for the badge holders out of pop tops and beads. Entertainment that evening was a dexterity challenge to see which team could unwrap a prize inside a saran-wrapped gift, but there was a catch – the team had to do it against the clock and with oven mitts on.

On Wednesday, most of us – with the exception of the local members – went on a trolley tour of Boston for the day. The tour included stops at the Independence tall ship (also known as Old Ironsides), lunch at Quincy Market, many churches and Fenway ballpark.

On Thursday, there was a ladies' social in the morning, and we conducted our business meeting in the afternoon. That evening, before our entertainer John Paolillo's one-man band, we celebrated Wayne Scruggs' birthday with best wishes and a cake, too. For those who don't know Wayne, he is one of the greats of the Freightliner team. He drives the truck to the rallies, is a supreme technician and is considered to be part of our club family.

Friday was departure day. After a continental breakfast, most left. It was a great rally, and we hope to see all of you at one of the two remaining rallies this year.

Our Club has a new Discount Program with the O'Reilly Auto Parts stores. They have over 3,700 stores nationwide.

When you visit an O'Reilly Auto Parts Store, **THE FIRST THING TO DO** IS ASK FOR THE STORE MANAGER. TELL HIM THAT YOU HAVE A NATIONAL FCOC ACCOUNT. Give him the account number **1284975**. Remember, the account is under **FCOC**, not Freightliner Chassis Owners Club.

Remember, this discount program is only for **BACK COUNTER PARTS** (e.g. heavy-duty truck parts, thermostats, alternators, etc.), and the discount percentage depends upon the products you buy. Most items in front of the counter are priced so low, they don't have a discount.

At every checkout, you must present your membership card (if it is not up-to-date, you will not get the discount). This is a program for FCOC members only. O'Reilly will monitor our club to verify there is no abuse of the program.

We offer a 10% discount on labor and small fleet parts pricing to all FCOC members.

## THOR INDUSTRIES: DRIVING EXCELLENCE

*By Joe Snyder, Dealer Marketing and Training Manager  
Freightliner Custom Chassis*

Thor Industries, now the world's largest recreational vehicle manufacturer with the recent purchase of Jayco, is an important partner for FCCC. When attending dealer events around the country, I will often run into regional and national managers of various RV manufacturers. Recently, however, I had the privilege of meeting Robert Martin, President and CEO; Adam Gudger, National Diesel Sales Manager; and Josh Ciernia, Regional Diesel Manager of Thor Industries. The function was a charity event hosted by Mike Thompson's RV in California. Seeing the three of them supporting our industry at the dealership level, and supporting the dealership's community as well by taking part in their charity event, gave me a sense of pride – it

was evidence that our partners also believe this industry is our family. We, as a whole, take the time to be with, and be there for, one other – at work and recreationally.

Thor relies on us at FCCC to deliver the highest quality chassis, custom built for their unique motorhomes. You can appreciate the magnitude of Thor's belief in our product when you visit their website. Under the heading, "Motorhome's Key Features," the first item on the list – regardless of whether you are looking at a Palazzo, Tuscany XTE, Venetian, Tuscany with 60-degree wheel cut or Tuscany Tag with 60-degree wheel cut – is always FCCC XC Series Chassis.

Here at FCCC, we know the finished product isn't all about the chassis. It's about FCCC and Thor working hard, always improving, supporting and living the RV lifestyle, and continuing to have a heart for the people we serve. That is why Thor exerts great effort to spec just the right features in a chassis to protect your motorhome and lifestyle.

I can't wait to see you down the road.  
Happy Trails!

# FCOOCR.V.COM IS UP AND RUNNING

After months of internal research, collaborating with partners and applying feedback from all of you, FCOOCR.V.com has officially launched. It was a long process, but we're so excited to reveal our new site that is packed with information, easy to navigate and resourceful in every aspect of the definition.

This site focuses on you – the members. Starting at the homepage, our new and improved site makes it simple for you to log in, view past and future rallies, review issues of *RV Soul*, get connected with our FCCC social platforms and more. FCOOCR.V.com makes your membership easy and enjoyable.

## EASY-TO-INTERPRET TAB SELECTION

With distinct descriptions, hovering over each tab reveals concise descriptions of what you can find in each section. It also clearly lays out what to do next – whether you want to sign in, become a member or learn what membership could do for you!

## LOGGING IN

Once you've entered your secure login and password information, your screen will change to offer you the option to view/update your profile and to renew/pay dues – found in the upper right-hand corner. Finding this information was a common issue for the prior website so we made this fix one of our top priorities.

## ALL-ENCOMPASSING 'ABOUT' TAB

Hovering over the 'About' tab reveals options to learn about FCOC, the Red Hat Ladies and to contact the club. 'Why FCOC' describes all the benefits in becoming a member: discount programs, the online community, no-membership-fee offers and more.

## TECHNICAL AT YOUR FINGERTIPS

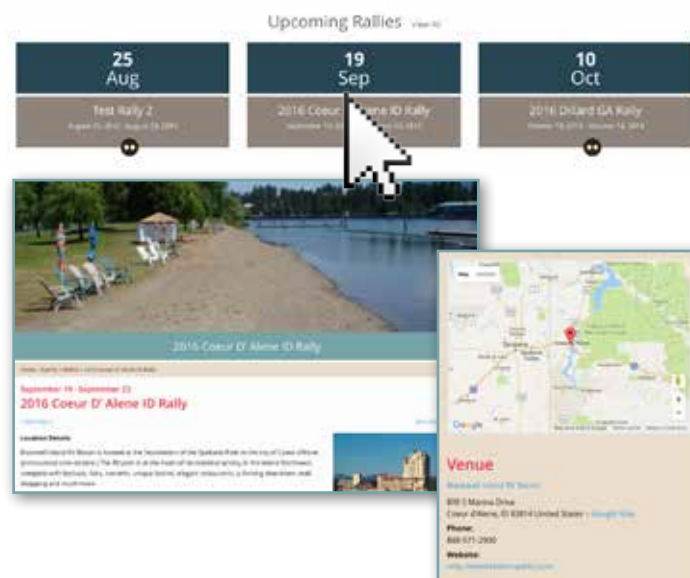

This tab is one of the most beneficial features of our new site. FCOC Members now have maintenance documents, information, links and contacts right at their fingertips – so no matter where you are, the club continues to provide helpful resources.

## RALLY RESOURCES

Simply scrolling down the main page, you'll find the Upcoming Rallies. Click on the rally you're interested in and a new tab will offer you the date, location and contact person for the event. A brief description, things to do in the area and a clickable link to register online will also be provided to make your experience as hassle-free and informative as possible.

## STAYING SOCIAL

Now, FCOC Members can stay in touch with FCCC's social platforms as well. Scrolling to the bottom of the homepage, you'll find a quick overview of recent posts to our Facebook page, RV Road Trippers. If you haven't already, like this page to receive updates, news links and videos on RV maintenance, new products, RV resources, recipes, storage ideas, DIY projects and more!

# SHOP TALK

## NEW FCOC FORUMS

There's no substitute for experience. While articles and manuals on maintaining your motorhome are useful, they can't talk back to you and help to diagnose or solve an issue. That's how online forums have often proven to be a valuable tool for motorhome owners and DIYers alike – allowing owners and problem-solvers to help each other. Chances are, if you've asked a question on a forum, someone else has been looking for the same information and benefitted from the answers you received.

When we set out to build our new Club website, one of our primary objectives was to provide a forum for our members, and we are pleased to announce that we have accomplished this goal. There are, in fact, two distinct forum platforms available exclusively to the Club under the "Chassis Forum" menu.

### HISTORICAL FORUM (YAHOO!)

As Yahoo! is likely to stop hosting these kinds of forums, Club President Steve Batorson obtained permission to migrate the historical data from the FCOC forum to our website. That means we have conversations going back to the days of Oshkosh Chassis that could be helpful and relevant to our current Club membership. Unfortunately, the transfer meant that new conversations cannot be started on this forum, so this content is for reference only.

### CURRENT FORUMS

This is your opportunity to ask questions of your fellow Club members and help them find answers to their questions. Anyone can start new conversation threads at any time, but for now, only the Club webmaster has the ability to add new "forums," or overall topics of conversation, like maintenance or new motorhomes.

### SEARCH

On the main page for both the current and historical forums, there is a search bar for you to enter the topic you'd like to research. If you don't find the information you're looking for, we encourage you to start a new thread on the current forum.

### THESE FORUMS ARE FOR FCOC MEMBERS ONLY.

We recognize that these forums are a valuable resource to Club members, so we have reserved access on the website to only Club members who have logged into the site. All Club members will have a login and password.

Take a moment to explore the new forums – you're sure to help your fellow Club members have the best motorhome experience possible!

## DRIVEN WITH CONFIDENCE. WORN WITH PRIDE.

These new coach emblems from Freightliner Custom Chassis stand for an unmatched ownership experience – from nationwide 24/7 support, to innovative engineering backed by the Daimler Group, to the industry's largest owner's club.

They reflect the pride that goes into every chassis we build — pride we hope you'll share as part of the Freightliner Custom Chassis family. Look for these emblems on your next premium motorhome.

# SERVICE UPDATE

## SERVICE AT YOUR FINGERTIPS 24/7 DIRECT APP

If you haven't already downloaded the 24/7 app, you're missing out on a great way to make sure the best owner care in the industry is always within reach.

With the touch of a button, you can find a dealer near you (or search by zip code), receive driving directions, view service hours and websites, and more. You can also call our 24/7 Direct service team or shoot us an email right from the app.

## DEALER SERVICE SURVEYS

With the launch of our new website, which should be happening around the time you receive this magazine, you'll also be able to fill out and send in dealer service surveys from the app or the website. These surveys help us ensure you get great service from our network of dealers, so we encourage you to fill it out and send it in whenever you visit one of our service dealers.

## OASIS NETWORK DEALERS

We're proud of our network of Oasis dealers. The Freightliner service network includes more than 90 Oasis Network dealerships specializing in RV service:

- Dedicated motorhome facilities and service bays
- Specially trained service technicians
- Secure parking
- Amenities exclusively for motorhome owners

## TOUR THE FCCC FACTORY

While you're in town for Camp Freightliner, we encourage you to tour the factory to see how our chassis come together.

At approximately 200,000 sq. ft., the FCCC Factory is a must-see for Freightliner Chassis owners. Just 4.5 miles from our Service Center and 6 miles from the KOA Campground, the FCCC Factory offers a daily tour Monday-Friday with registration beginning at 10:15 a.m. in the main lobby. Each tour lasts 45 minutes to an hour, and you will see everything from an engine being up-fitted with accessories to a completed chassis ready to roll out the door to the body builder.

Time for a factory tour is not included in the Camp Freightliner itinerary, so plan an extra day before or after class for this one-of-a-kind experience. You won't want to miss it!

# WATERFRONT CAMPING IN THE U.S. AND CANADA

While time on the open road is what we all live for, the breath-taking sites, unique activities and memories made at each campground combine to engrave each trip in our hearts forever. And what better summer memory to look back on than those spent with the people you love by the water? Well, if you've yet to visit a waterfront campsite this summer, don't fear. Take a look at 10 of our favorites and mark your calendars!

- 1) **GREEN POINT CAMPGROUND** – Located in Pacific Rim National Park, B.C., it's the only campground along the 22 kilometers of Long Beach. Perched on a hill above the beach, the site allows for deep relaxation, beach exploration and surfing – and a 20-minute drive leads to excellent Grey whale watching from the Amphitrite Lighthouse.
- 2) **POLSON MOTORCOACH & RV RESORT** – Although its home in Montana may throw you for a loop, the Class A RV resort offers exclusive oversized lots and luxurious amenities, such as an onsite gym and heated pool, but that's not all. The resort's surroundings – Flathead Lake's deep blue water and Mission Mountains' snow-capped peaks in the distance, as well as Glacier National Park just a few miles away – are what earned Polson a spot on our list.
- 3) **LAKE OF THE WOODS CAMPGROUND** – A somewhat far cry from the luxury resort above, it takes a day of hiking to reach this campground of the Cathedral Provincial Park, B.C. in the Cascade Mountains. Its most famous hike, Cathedral Rim Trail, takes you along its fish-filled lakes and granite walls, and passes renown geological formations: Smokey the Bear, Devil's Woodpile and Stone City. A shuttle is available if you don't feel like hiking, but it's definitely worth the work!
- 4) **HUNTING ISLAND STATE PARK** – South Carolina is known for its beautiful wildlife, but this former hunting preserve's beaches and natural beauty are beyond compare. The marsh boardwalk, rustic nature trails, fishing pier and historic lighthouse make for some of the most breath-taking views you'll ever see.
- 5) **CRYSTAL COVE STATE PARK** – California may mean “expensive” or “luxurious” in your mind, but Crystal Cove sharply contrasts its surroundings – fresh-laid green golf courses and million-dollar homes. Looking out over the Pacific Ocean, its 58 campsites (of which only 27 offer water and electric hook-ups) really allow one to reconnect with nature. The tide pools, sandy coves, underwater park and access to El Moro provide campers with hours of diving, hiking and biking opportunities.
- 6) **POINT CAMPGROUND** – Located in Peter Lougheed Provincial Park in Alberta's Kananaskis Country, Point is a local favorite – and one of their best-kept secrets. This is partly because it can only be reached by a hike or paddle of about two miles. If you're not yet convinced, look up Three Isle Lakes, South Kananaskis Pass or Fossil Falls – all which can be navigated from the camp.
- 7) **WAGGONHAMMER RV PARK & CAMPGROUND** – With views of the Rocky Mountains, this Idaho campground along the Salmon River delivers the cozy, rustic, camping lodge atmosphere you're looking for. Fly-fishing, off-leash dog trails, hiking and boating activities make this a site worth exploring – and relaxing.
- 8) **LONG KEY STATE PARK** – Although Florida is packed with oceanside campgrounds, Long Key brings in more repeat visitors than all the high-end, resort-style parks. Its warm, clear waters and tree-lined, shaded campsites offer a relaxed, intimate environment not commonly available.
- 9) **FRENCHMAN RIVER VALLEY CAMPGROUND** – Located in Grasslands National Park in Saskatchewan, the grasslands give a glimpse of what the original Canadian prairies looked like. With wildflowers, bison and black-footed ferrets roaming freely, Frenchman provides an unrivaled escape.
- 10) **GRAND HAVEN STATE PARK** – Lake Michigan may sound like a common camper destination, but Grand Haven is so much more than meets the eye. On the eastern shoreline, the grounds are located with the lake on one side and the Grand Haven Canal on the other. Along with the pristine waterfront, its warm waters, well-maintained beaches and small-town feel from local farmer's markets and outdoor concerts promise this campsite truly has it all.

## CUMMINS HAS RELEASED A NEW APP.

CUMMINS HAS INTRODUCED APPLE AND ANDROID VERSIONS OF ITS FREE QUICK SERVE ONLINE (QSO) MOBILE APP. WITH YOUR ENGINE SERIAL NUMBER READY, SEARCH FOR "CUMMINSQUICKSERVEMOBILE" IN THE GOOGLE PLAY STORE OR "QUICKSERVE MOBILE" IN THE APPLE STORE.

Once you've entered your serial number, the app provides access to Cummins parts options, parts catalogs and engine dataplate information for 15 million Cummins serial numbers (ESNs). It also includes a fault-code analyzer for Cummins electronic engines, which explains current fault codes, advises which fault codes are dependent on others and recommends which should be fixed first.

# Know What Your Vehicle Needs With Allison Prognostics

Allison fully automatic transmissions are known for **reliable performance**. Prognostic features are built into every transmission, making it even easier to keep your RV up and running. For instance, Allison 5th Generation Electronic Controls shift selectors feature easy-to-read graphic displays that show both text and symbols. Allison prognostics take the guesswork and hassle out of scheduling routine vehicle maintenance to save you time and money while providing maximum protection for the transmission.

Allison prognostics use sophisticated, user-friendly electronic monitoring technologies. A wrench icon on the shift selector's digital display will alert you when service is due for your Allison transmission. Similar to checking oil level and diagnostics, you can check the status of all three prognostic features simply by toggling through the shift selector's display.

**When Fluid Is Due For A Change** – The wrench icon (3000/4000 Series™) or service light (1000/2000 Series™) is illuminated and stays on for 1-2 minutes after the Drive range is selected.

**When Filters Are Due For A Change** – The wrench icon or service light flashes on and off for 1-2 minutes after the Drive range is selected.

**When Maintenance Is Due** – The wrench icon or service light comes on and stays on in all ranges.

For more information download the **Allison Transmission mobile app**.

# ROADSIDE RECIPES

## BREAKFAST PIZZA

### INGREDIENTS:

- 1 can refrigerated crescent rolls, room temperature
- 1 cup cooked and drained sausage of your choice (regular, mild or spicy)
- 1 cup thawed hash browns or shredded potatoes
- 1 cup shredded cheddar cheese
- ½ onion, diced (optional)
- 5 eggs
- ¼ cup milk
- Pepper to taste

### DIRECTIONS:

1. Preheat your RV oven to 375 degrees.
2. Grease pizza or jelly roll pan.
3. Using your fingers, press the crescent rolls evenly into the pan.
4. Layer the dough with the sausage, potatoes, cheese and onion.
5. Beat eggs and milk together and pour over the toppings, tilting the pan to evenly distribute the mixture.
6. Season with pepper and bake for 25 minutes or until crust becomes golden brown.
7. Dig in! Leftovers are safe to store in the refrigerator and are best heated up in the oven.

All recipes courtesy of [www.goRVing.com](http://www.goRVing.com) - a complete guide for food, games, travel, camping and tailgating in your RV.

DID YOU ENJOY THIS RECIPE? WE'D LOVE TO SEE HOW IT TURNED OUT! POST YOUR PICTURES ON FACEBOOK AND TAG US - IT COULD BE FEATURED ON OUR RV ROAD TRIPPERS FACEBOOK PAGE.

## BROCCOLI AND CHEESE POTATOES

### INGREDIENTS:

- 2 baking potatoes
- 1 box broccoli in cheese sauce
- Sour cream, as desired
- Bacon bits, as desired

### DIRECTIONS:

1. Microwave or bake potatoes until done (If you choose to microwave, wrap the potatoes in a wet paper towel and cook on high for 6-9 minutes).
2. Prepare the broccoli in cheese sauce as directed on box.
3. Once done, divide between potatoes and top with sour cream and bacon bits.
4. Enjoy!

## CAMPFIRE CONES

### INGREDIENTS:

- 1 package Sugar Cones
- Peanut butter
- Mini marshmallows
- Chocolate chips
- Bananas

### DIRECTIONS:

1. Start your fire – you want it hot, but not too big so that it's safe to be in close proximity to.
2. Chop your bananas into 1/4" thick pieces.
3. Spread the peanut butter on the inside of the cone.
4. Stuff with bananas, marshmallows and chocolate chips and wrap the entire thing with tin foil.
5. Place directly on hot coals for 5-10 minutes.
6. When the cones are gooey, it's ready to devour!
7. Please remember to put your fire out when you're finished.

# FEATURED MEMBER

## PROFILE

NAME: Tom and Sally Bernardi

COACH: 2007 National RV / TropiCal LX /  
35 feet long, 3 slides

HOME: Odessa, Florida – near Tampa

PROFESSION: Retired

Tom – CPA

Sally – Advertising / Communications

FAMILY:

Daughter: Lissa

Yorkshire Terrier: Valentine, 11

## FUN FACTS

- A. Tom and Sally have attended 5 Freightliner Chassis Owners Club rallies and will be attending a 6th in October 2016
- B. They have their annual coach service done every fall at the Gaffney, SC, Service Center – they are the best and they find repair items that others would surely miss.
- C. Tom has served two years as Senior Vice President of the Diesel RV Club, and one year as Secretary of the Florida Roll'n Gators.
- D. Sally began her first year as Treasurer of the Florida Roll'n Gators.
- E. Tom has attended the Camp Freightliner program in Gaffney, SC.

# DO THE MATH

In the 9+ years since Tom's retirement, he and Sally have spent a lot of time in their RV!

- Total nights = 1,622
- Total stops = 666
- Total miles = 121,332
- Trips over 75 nights: 9
  - 71,000 miles and 967 nights – includes one trip for 5 months and over 12,000 miles to Alaska and western Canada, and one trip for almost 5 months and almost 9,000 miles to Atlantic Canada and Newfoundland and Labrador
- Trips between 14 and 74 nights: 11
  - 23,000 total miles and 423 nights
- Weekend trips: 80
  - Totaling over 200 nights
  - About half occurred before retirement, and now monthly weekend trips mainly consist of South Florida locations with the Florida Roll'n Gators, an FMCA chapter.

Tom and Sally Bernardi were first exposed to life the RV way when they were invited to tour a neighbor's coach. Seeing the possibilities, they decided to take the RV lifestyle for a spin – and never looked back. Their 2007 National RV suits their needs perfectly, with a dedicated computer workstation, an extra vanity in the bedroom and a booth dinette with storage under the seats. They've also added a number of personalized upgrades to really make it home, such as new residential carpet, day/night pull-down shades, automatic windshield day/night shades, LED lighting, an electrical management system, additional fire protection and an auto generator start, to mention a few. But as much as they like this coach, a new 2017 Newmar Dutch Star 4054 – built on a Freightliner chassis, of course - is on order to be ready in November.

As true road warriors, Tom and Sally have camped in 49 states, 10 provinces and one Canadian territory. They can't narrow the list down to just one favorite place, but Alaska, and specifically Valdez, is high on the list – with a beautiful road in and out complete with waterfalls, glaciers, overhanging cliffs, an up close and personal view of the Alaska Pipeline and friendly townspeople. Not to mention the delicious fresh halibut and salmon that can be purchased within walking distance of the campground – scrumptious!

Before going to Alaska, Tom told several friends that after seeing Chuck Heath on the Learning Channel program "Sarah Palin's Alaska," he'd like to shake hands with him while he's there. On a day trip near Denali National Park, Tom and Sally met Chuck and Sally Heath (Sara Palin's dad and mom) and their dog "Bo." The Alaska natives were antler hunting in their camper van on a gravel road somewhere close to the middle of nowhere, so it was really a unique – and lucky – experience.

What's next? Well, Tom and Sally are on their "second time around" to several of their favorite places, including a second visit to Alaska next year. But discovering new places to visit through research and reading is one of Tom's passions when they are not traveling, so anything is possible!

## DON'T LET *YOUR* MEMBERSHIP EXPIRE!

Please look at your label on the front of this newsletter to see if your membership is about to expire. We send out reminders at least two months in advance of your expiration, both by email and by mail, to provide adequate time to renew your membership. Dues are \$15.00/year or \$70.00 for five years. See Membership Application on page 49.

To access by Internet, visit the website at [www.FCOCRV.org](http://www.FCOCRV.org).

After logging in, you have the ability to conveniently renew your membership using PayPal. Simply clicking "Renew/Pay Dues" in the top right corner of your screen.

You may also update your membership and personal information by selecting "View/Update Your Profile."

**PLEASE NOTE:** If you are logging into the new site for the first time, your password is the same as it was for the old site. If you've forgotten your password, click "Forgot Password" under the login fields.

## GET RV SOUL BY EMAIL!

You may request to have our newsletter delivered by email, especially if you travel frequently or if your mail is forwarded more than once a year. You will receive the newsletter earlier than those mailed, and they won't pile up in your motorhome. You will receive an email when the newsletter is ready to be viewed. Recent as well as previous issues of Freightliner Flyer are available for viewing and printing on the website.

For those who do not have email, please make sure we have your correct mailing address – especially those of you who have a seasonal address. We are experiencing a large number of newsletters returned. Time, money and postage rates are affected when they are undeliverable.

Thank you for helping us do a better job of getting important FCOC news and current updates to you! We want you to be in the know!

# ONLINE MEMBERSHIP *UPDATE OR RENEWAL*

Anyone can access our website without logging in by going to [www.FCOCRv.org](http://www.FCOCRv.org).

When a member wants to update their member profile or pay their dues, they will need to log in with two pieces of information: a membership number and a password. When a member has difficulty signing in, it is usually either because they forgot to include the letter “F” at the front of their membership number, or because they forgot their password. If a new member joins via our website, they will provide their own password at that time. New members who apply by mail will receive their password by email when their registration information has been entered. Members can change their password at any time by logging in and updating their member profile.

## TO JOIN FCOC:

1. Select “Join FCOC” on the home page or in the top right corner of any page on the site.
2. Select the number of years you’d like to commit to and pay for.
3. Fill out all relevant fields. Those with an asterisk (\*) must be completed.
4. Make note of the number in the “Username – Member ID” field. This is your FCOC ID number, which you’ll need to log in to the site.
5. When you’re finished, select your payment method and click “Sign Up” at the bottom. If you navigate away from this screen before clicking “Sign Up,” your input will not be recorded, and you will be required to start over.
6. Complete your payment information and follow instructions to submit.

## TO PAY DUES:

1. Sign in using the “Membership Log In” fields on the home page or the “Sign In” link in the top right corner of any page on the site.
2. Once you’ve signed in, select “Renew / Pay Dues” in the upper right corner of your screen.
3. Select the number of years you’d like to commit to and pay for.
4. Double-check that the information that populates in the form fields is correct. If it is not, change anything you need to, and the updated information will be stored in the database.
5. Select your payment method and click “Sign Up” at the bottom. If you navigate away from this screen before clicking “Sign Up,” your input will not be recorded, and you will be required to start over.
6. Complete your payment information and follow instructions to submit.

If you do not have access to a computer or email, you may use the application in this newsletter on page 49. If you have any problems, please let me know. My contact information is on page 4.

# OFFERS FROM OASIS DEALERS

Freightliner Custom Chassis Corporation (FCCC) and select Freightliner Oasis dealerships around the country have initiated a program offering members of the Freightliner Chassis Owners Club (FCOC) special pricing on service labor and service parts.

**The program offers current FCOC members the following discounts:  
10% OFF POSTED LABOR RATES & 10% OFF PARTS**

It is important that you do the following; if you don't, you may not get the discount and it will be your own fault!

**You MUST tell them you are an FCOC member up front, request the discount and identify yourself by showing your current membership card. Ask to get a copy of your billing with the discount on it once your work is done.**

In developing the Oasis Dealer Discount Program, all Oasis Dealers were contacted and invited to participate. But, participation in the Oasis Dealer Discount Program is a business decision made by each individual Oasis Dealer.

If the Oasis Dealer you wish to use is not on the list of participating dealers, we would encourage you to let them know of your desire to have them participate in the program. Dealers wishing for more information about the program should contact Tom James: phone (916) 870-9322, email VP.BUSDEV@FCOCRV.ORG. Also, if you have any problem with any Oasis Dealer on the list, let Tom James know, and he will try to help.

As a reminder, it's up to you to **ask first** for the discount, not after.

**PLEASE REMEMBER: THESE OASIS DEALERS ARE SUPPORTING FCOC, SO PLEASE GO TO THESE DEALERS ONLY.**

The following is a list of currently participating Oasis dealerships.

# Know What Your Vehicle Needs With Allison Prognostics

Allison fully automatic transmissions are known for **reliable performance**. Prognostic features are built into every transmission, making it even easier to keep your RV up and running. For instance, Allison 5th Generation Electronic Controls shift selectors feature easy-to-read graphic displays that show both text and symbols. Allison prognostics take the guesswork and hassle out of scheduling routine vehicle maintenance to save you time and money while providing maximum protection for the transmission.

Allison prognostics use sophisticated, user-friendly electronic monitoring technologies. A wrench icon on the shift selector's digital display will alert you when service is due for your Allison transmission. Similar to checking oil level and diagnostics, you can check the status of all three prognostic features simply by toggling through the shift selector's display.

For more information download the **Allison Transmission mobile app**.
