The Frontier Debuts for 2022 — Class A Diesel

FRONTIER 36SS

FRONTIER 36SS

FRONTIER 34GT

A new model packed with industry innovations and amenities at an attractive price point has been added to the Fleetwood line-up. Introducing the Frontier a Class A Diesel motorhome that delivers a number of owner-focused innovations paired with accessible indulgence. Two triple-slide Frontier floor plans - the 34GT and 36SS - are currently available. A full flat floor is one of the first advancements owners will appreciate, along with a patented innovative Adap-table® dinette that changes from work station to dining with ease. It's a design innovation that's uncommon in the industry. Built on the Freedom Sport® Foundation and integrated with Freightliner Custom Chassis' V-Ride™, DriveTech™ w/Opti-View, BrakeSync and an incredible 55-degree front turning radius.

Frontier is sure to provide miles of memories.

FCOC PRESIDENT'S MESSAGE

I hope this letter finds everyone healthy and out traveling. Things are finally getting to feel more normal now. We have already held one national rally this year at Lazydays in Florida. It was a great turnout with over a 100 coaches registered, and it was truly an outstanding rally.

Two more national rallies are already planned. The next one will be at Amana Colonies in Iowa. The rally dates are August 1 through August 5. A Camp Freightliner session will be held before the rally on July 30 and 31. The Club will hold the annual business meeting at this rally.

Amana Colonies has a rich history—it is a National Historic Landmark and one of America's longest lived communal societies, which began in 1714 in the villages of Germany and continues today on the Iowa prairie.

The next national rally will be Sevierville, Tennessee November 14 through 18. A Camp Freightliner session will follow this rally. This rally will take place in the beautiful Smoky Mountains, near a lot of interesting things to see and do (one of which is Dolly Parton's Dollywood).

I tell all members at the First Timers Meeting, this club is a volunteer club and when you joined, you volunteered to help. Without volunteers we do not have a club. We must have officers of the club, Rally Masters, and others to help with the *RV Soul* Magazine and help work the rallies. There are so many things we need help with such as helping serve meals, selling raffle tickets to support a charity, clearing tables after meals, helping with happy hour and at the registration tables. Please step up and volunteer!

We are also always looking for places to hold rallies. Campgrounds must be large enough to accommodate at least 100 sites and have a meeting room big enough to hold 200 people at mealtime. If you know of a place, please contact the Senior Vice President or myself so we can check it out.

Cindy Feindel, our Editor of the *RV Soul*, is always looking for items to include in the magazine: perhaps your favorite trip, good service by an RV service company, recipes, and anything else you think other members would enjoy reading about.

CLUB UPDATES

Hemet Rally Canceled: From Rally Master Mary Costigan

We have received many calls regarding information on the rally information in the 2021 Winter RV Soul regarding Spring Rally in Hemet California in April, 2022. We have had to cancel that rally due to charges outlined to us that would have put our four-day rally in the \$800 range. It was going to run \$50-60 dollars per person, per day for meals. On top of that, because of the restrictions in seating, we would not have been able to get more than 30 coaches with 2 people with the 6' space requirement between attendees. That means we could only get 2 or 3 people per table. The setup did not look like it would work out.

We know how important it is for us to get a rally together for the West Coast, but found it impossible to find a resort that would either allow 100+ coaches, or would even call us back. However, we promise, if the restrictions are lifted for the 2023 spring season, that we will do everything we can, to get a West Coast Rally put together. Keep your fingers crossed.

Member Endorsement

Greetings to all. I recently sprung a rather significant coolant leak on my Motorhome. It was towed to Sacramento Truck Center, Motorhome Division. The repairs were made in a timely fashion, and because I am an FCOC member, I saved approximately \$300 on labor charges for this repair as well as a major service. This goes to show that it doesn't cost to be a member of FCOC, it PAYS!

Thank you,
Ian

Freightliner Women by Lana Proemsey

We are here today to celebrate the new modern Freightliner woman

Our custom chassis are like no others

Our frames are strong and built to last forever

With little maintenance, we will keep on going

Tune-ups are a must, give us some oil, check our levels and we're up and running

We are proud of all the years of good service we have provided

Proud of our age, we wear what we like, to show one another how we have kept up with the times

We are very dependable, strong and durable, we can last forever

We wear our colors proudly, of black and red and white

To show all we meet, we are members of the FCOC

We carry our supplies by our sides, to meet any challenge that may arise.

We carry our toothbrush to be prepared for those unexpected clean-ups, to keep on shining

Our hand sanitizer we carry at all times, to keep away the germs, to be healthy and to perform well at all times

At last we are driven by our diesel engines that keep us on the move

What more can you ask from the New Freightliner Women?

We are a class of our own!!

Just ask and we will say "We are united by the Freightliner Chassis Owners Club"

We are the "New Modern Freightliner Women"

We are the best!!!

The poem was brought to the Ladies at the Seffner rally by Kathy Hopper, the Rally Master's wife.

MESSAGE

FROM

My fellow RVers,

I hope that this latest issue of *RV Soul* finds you happy and healthy – and enjoying the return of spring wherever you may be.

The past few months have been busy ones for our team. We had the fortune of visiting with many of you at the Tampa RV Supershow in January. The Super Show featured huge crowds, lots of enthusiasm – and some exciting new products powered by FCCC.

This includes the new Tiffin Allegro Bay, which is built on our S2RV Super C chassis. The “adventure-ready” Allegro Bay is Tiffin’s first entry into the rapidly growing Super C market and joins a growing lineup of models available on S2RV, including products from Entegra, Jayco and Renegade. The S2RV provides an exciting transition for customers coming in from a gas product who want the horsepower, fuel economy and torque of a diesel product.

We’ve also partnered with Forest River on the Charleston, its new 36-foot Class A luxury product designed and developed to meet growing demand for high-end coaches at the smaller end of the Class A market. Riding on an FCCC XCR raised-rail chassis, the Charleston is the only 36-foot coach on the market with a 15,000-lb. towing capacity, three-stage engine brake and 100-gallon fuel tank. The XCR enables the Charleston to offer high-end features not generally seen in a shorter Class A, including our full suite of RoadWatch safety features, OptiView digital dash, and BrakeSync, the only factory-installed, factory-warranted integrated air supply for tow vehicle brake system on an FCCC chassis.

Speaking of RoadWatch, we were thrilled to share the news in Tampa that its safety features are becoming standard in the 2023 model year with several OEMs. RoadWatch features include adaptive cruise control, stability controls, collision mitigation and automatic traction control. It also features the 360-degree Mobileye camera system, which offers real-time headway warning distance, intelligent high-beams, lane departure warnings and speed limit indicators to provide extra confidence to drivers in everyday driving situations. It integrates seamlessly with FCCC’s OptiView digital dash, the industry’s first fully integrated, all-digital LCD instrument cluster.

As you can see, it’s shaping up to be an exciting year for FCCC – and we hope it’s an enjoyable and memorable one for you as well. As always, our team remains focused on providing you the best ownership experience possible.

Happy RVing,

Jeff Sather

FCCC President & CEO

TAMPA RV SUPERSHOW

The Florida RV SuperShow in Tampa – one of the largest RV shows in the nation – was an incredible way to kick off the year. Organizers of the show reported that the opening-day attendance this year broke a new record with more than 20,000 visitors. As always, it was a pleasure for our team to attend the show, and we're grateful for all of the visitors who took time to stop by our booth.

Our booth featured two chassis – the XCR and the S2RV. A new coach was added to our XCR lineup this year: the Forest River Charleston. Although this model didn't make it to the show, the folks who stopped by our chassis got to learn all about its features and impressive benefits.

Our S2RV lineup has also grown this year with the addition of the Allegro Bay by Tiffin. These Super-C coaches were a hit at the show all week long. You can learn more about the Charleston and the Allegro Bay later in this issue of RV Soul.

We held Fireside Chat and Before You Buy seminars daily, and we also had interactive displays all around the booth, featuring DriveTech, RoadWatch, V-Ride, UltraSteer and shoppable kiosks.

DRIVETECH

The DriveTech station simulates the RV driving experience in a Freightliner Custom Chassis RV. This interactive driver station helps interested RVers understand all of the DriveTech and OptiView controls on their steering column and dash display.

ROADWATCH

The interactive driver station also educates RVers on our RoadWatch technology – the culmination of our state-of-the-art safety systems. Designed to give drivers a new level of confidence in all conditions and maneuvers, RoadWatch is a game changer in the RV industry.

SEFFNER, FLORIDA

Roy & Kathy Hopper, Rally Masters | Steve & Denise Jeanneret, Asst. Rally Masters

RALLY RECAP

Lazydays RV Resort and staff were great hosts for our 101 coaches at our Seffner rally in January. They provided us with a beautiful campground, wireless internet and cable TV. Our happy hours and evening meals were held at the Rally Center and the food was delicious with one entree, vegetables, salad, bread, dessert and drinks. Breakfasts were held at Lazydays Front Porch restaurant.

Thanks to Roy and Kathy Hopper, rally hosts, and Steve and Denise Jeanneret, co-hosts, for their hard work planning this event and acquiring items for the door prizes, charity auction, flyers and samples from vendors for the rally bags. Everyone was kept busy with seminars, crafts, ladies' social gatherings and games.

A special thanks goes to the following vendors who provided seminars: Freightliner Custom Chassis, Allison Transmission, Cummins Engines and Generators, My RV School, MASA Medical Transport Solutions, and Mr. and Mrs. Wagner of Internet On the Go for their seminar and vendor booth. We also want to thank James Peek, FCOC Club President, for conducting our first timer orientation with 68 first-time coaches in attendance.

On Wednesday while the men were in the Cummins Engine and Onan Generator seminar, the ladies had a social. On Thursday while the men were in the Allison Transmission seminar, 47 of the ladies attended a craft session led by Denise Jeanneret where they painted canvas purses.

Each evening Steve Jeanneret and Steve Bertling held a 50/25/25 raffle and on Thursday evening James Peek and Steve Jeanneret held an auction of big ticket items. All the money raised from these raffles and auction, \$3,172.00, was donated to Make-A-Wish Foundation and Katie Alexander of Make-A-Wish of South Florida was present to accept our generous donation.

We want to thank Janene Rehder, Steve and Denise Jeanneret and Roy and Kathy Hopper who conducted Card Bingo on Tuesday evening and Up Yours on Wednesday evening for the rally attendees. On Friday evening singer Leanne Williams, Singing DJ, delighted the crowd with country and Western music and music primarily from the 60's and 70's.

We need to issue a special thanks to all the members who volunteered during the rally with registration and selling of shirts. Without them we would not have had a successful rally.

ELKHART, INDIANA

Linda Murphy, Rally Master

RALLY RECAP

The FCOC National Rally and Annual Business Meeting were held at the Elkhart Campground from August 2-6, 2021 with over 160 participants from all around the country. The rally was filled with lots of seminars, fun, and fundraising for our chosen charity, the Crossroads United Way, (local to the Elkhart County area) for their "Page the Puppy" project which provides pre-K youth with a series of books and activities to gain their interest in reading prior to starting school.

A Camp Freightliner session was held before the rally and annual meeting. This was a two-day intense training class taught by Wayne "Bobby" Scruggs from Freightliner Custom Chassis.

Our agenda included the following: FCOC Annual Board of Directors meeting, First Timers seminar, Freightliner Custom Chassis Fireside Chats, Cummins and Onan maintenance classes, social hours, bingo, Quilt Magic crafting, My RV School presentations, evening entertainment and much more.

The food was just delicious for every meal—we enjoyed parmesan crusted chicken, twice baked potatoes, breakfast buffets with biscuits and gravy and many other refreshments.

One of my favorite parts of the rally was the ladies' trip to Linton Enchanted Gardens. We got to learn about their business while enjoying lemonade and cookies, and some of us even took a train ride around their nursery to enjoy their large variety of plants.

The group also really enjoyed our evening entertainment with Dane Bailey, "The Singing Auctioneer," who chose a medley of popular songs. During this time we also honored our veterans—one veteran from each branch of the service who had signed up at registration was randomly chosen to receive a special plaque with their branch of service design including FCOC.

Dane Bailey also facilitated our live charity auction which raised funds for "Page the Puppy." I am proud to share that we raised a total of \$2700.00! No words can express how grateful we are for all of your contributions. I would like to thank each and every one of you who donated. I would also like to thank all of our members who volunteered their services to help serve the many meals or help in any other way. And special thanks to my Assistant Rally Masters, Don & Kathy Klingstein.

To all of our members, please keep your FCOC membership info updated as much info is sent out prior to the rallies by only email and many participants indicated they did not receive the info, but a lot of info sent out was returned as undeliverable. Our thoughts and prayers to the many members who had to cancel due to family emergencies, illness and to those unable to attend due to mechanical issues. Until we meet again, hope you enjoyed the 2021 Elkhart Rally & had safe travels.

RALLY MASTERS AND ASST. RALLY MASTERS NEEDED

We are currently seeking volunteers to serve as Rally Master and Assistant Rally Master for our 2023 Rally Season. All rallies for 2023 dates and venues will be announced at a later date. Up until now, FCOC officers, board members and a few others have hosted all the rallies. We will still be by your side every step of the way throughout the planning process if you choose to volunteer. There is a Rally Master's Guide on fcocrv.org to help you plan your rally. We also have an Excel budget calculator to help with the budget.

Rally Master and Assistant Rally Master Perks include rally fees paid by the club and fuel reimbursement from your home base to the rally and back to your home base. If you would be willing to host or help host a rally, please contact Roy Hopper at rhopper517@aol.com or 772-559-3522. It's more fun when you volunteer!

OVERLOOKED MAINTENANCE ITEMS

When it comes to RV maintenance, we've learned that a few items tend to get overlooked—the first of these is the air dryer filter.

For many owners, it might just be neglected because it's "out of sight, out of mind." But, the air dryer filter actually needs to be replaced every 3 years or at 36,000 miles. Its most common location is inside the rail, just aft of the drive axle on the left side of the coach.

The second most commonly overlooked maintenance item we see is the engine air cleaner filter.

Here's why: the air filter has a vacuum indicator that tells you when a filter has too much dirt to be efficient. If that vacuum indicator shows the levels are good, you may make the mistake of not changing the filter every two years. Take this as a reminder to check and see if your engine air cleaner filter needs replaced.

The third top maintenance item to remember is oil—oil change, oil filters and fuel filters. These items need to be replaced once a year, or every 15,000 miles. Also be sure to check your generator filter once a year.

Depending on your RV, you may be able to access Transmission Prognostics from your vehicle configuration menu in the cockpit. This will display oil levels, oil filter status and oil life.

Just remember the 1-2-3 rule of the top maintenance items, and you'll be set for the road ahead:

- 1 EVERY YEAR: OIL, OIL FILTERS, FUEL FILTERS**
- 2 EVERY TWO YEARS: ENGINE AIR CLEANER FILTER**
- 3 EVERY THREE YEARS: AIR DRYER FILTER**

Make the most of your RV experience by keeping your coach in tip-top shape with these necessary maintenance items.

INTRODUCING TIFFIN'S 2022 ALLEGRO BAY—NOW AVAILABLE ON FREIGHTLINER'S REVOLUTIONARY S2RV CHASSIS.

The all-new Allegro Bay packs luxury amenities, diesel power and a spirit for adventure into a rugged Super-C class coach. Freightliner's revolutionary S2RV chassis, the first front-engine diesel chassis designed and built exclusively for the RV market, makes the perfect foundation for a spacious, well-appointed interior. If you're ready for adventure, there's an adventure-ready coach waiting for you – the Allegro Bay.

AirLiner® Air Ride Suspension and Sachs® Shocks

The ingenious, no-maintenance AirLiner® air ride suspension works in concert with custom-tuned Sachs® shocks to tame rough roads for complete comfort, mile after mile.

Manual Dump Valve

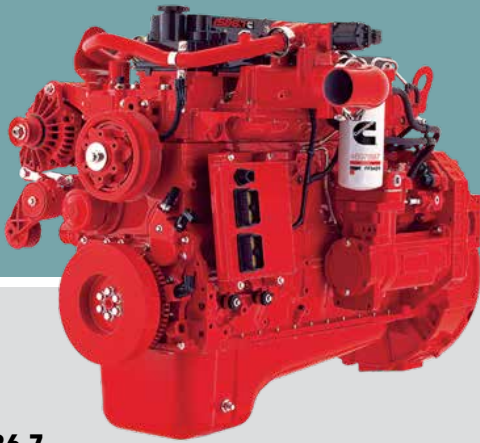

A convenient manual dump valve for the rear suspension provides the freedom to dump "all, some, or none" of the air, for complete control when hitching or unhitching a trailer.

Automatic Drain Valves

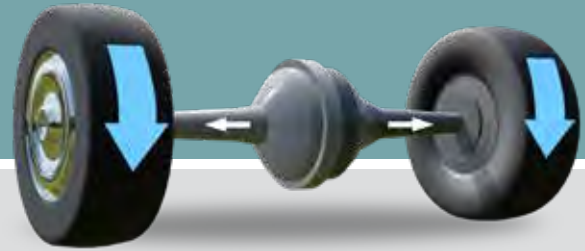

All tanks are equipped with automatic drain valves with heaters to eliminate the need to manually pull drain cords, and prevent drain water from freezing.

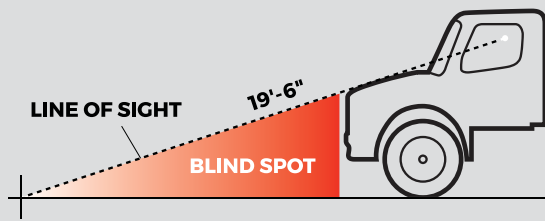

Cummins B6.7

Cummins B6.7 delivers quiet, clean power and 800 lbs/ft torque at 1800 RPM, giving the Allegro Bay impressive towing capacity and high performance on even the steepest grades.

Wabco ABS and No-spin Differential

The Wabco ABS with full-time traction control and a no-spin differential eliminates wheel-spin in wet, snowy and muddy conditions.

Maximized Line of Sight

The S2RV's large windshield and ergonomic dash design maximize driver line of sight and reduce blindspots. A premium noise abatement and insulation package keeps road noise at a minimum.

LED Headlights

LED headlights generate a wider, longer beam path for maximum nighttime visibility. They are also virtually maintenance-free and last up to 50x longer than traditional halogen bulbs.

PARTNER SHOWCASE

FULLY LOADED. FULL OF SURPRISES.

MEET THE NEW 2022 FOREST RIVER CHARLESTON, BUILT ON THE INNOVATIVE XCR FROM FREIGHTLINER CUSTOM CHASSIS (FCCC) FEATURING FOREST RIVER'S EXCLUSIVE TRU-BRACE FOUNDATION.

The all-new 36' Charleston delivers the power and style you would expect in a larger luxury motorhome with the maneuverability and handling of a smaller coach. The Charleston on Freightliner's XCR features the exclusive Forest River Tru-Brace foundation. It is the only coach at this length with the following standard features.

Flat Interior Floor

The innovative raised-rail design of Freightliner's XCR chassis and a redesigned Tru-Brace Foundation allow for a seamless flat floor throughout your coach.

3-Stage Engine Brake

Easy-to-reach, dash-mounted controls engage the engine brake to provide superior control while minimizing brake wear on the steepest grades.

Independent Front Suspension with V-Ride

The Charleston's XCR chassis features an independent front suspension for sharper turning and better handling. The V-Ride rear suspension is rated up to 24,000 lbs., increasing luxury amenity and cargo capacity while greatly reducing body roll. All-disc brakes deliver smooth, responsive performance for complete confidence when slowing or stopping.

TRU-BRACE FOUNDATION

Tru-Brace™ Foundation

Forest River's rugged Tru-Brace Foundation nearly eliminates chassis and body flex for increased stability. It also reduces vibration for a smoother, quieter ride while protecting your coach and all that rides inside.

DriveTech™ Advanced Display and Control System

DriveTech's ergonomic steering wheel and column-mounted controls eliminate the need to reach for every command, enabling you to keep your head up and your hands on the wheel.

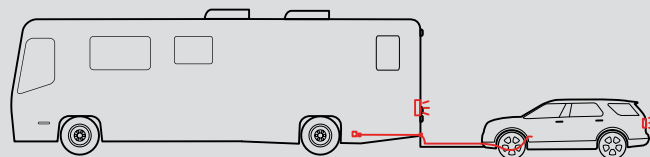

ROADWATCH

RoadWatch® Safety Suite

FCCC's high-tech ACTIVE safety system features: Roll Stability, Traction Control, Collision Mitigation and Adaptive Cruise Control. Mobileye technology is integrated into DriveTech's OptiView, providing audible and visual alerts for: Forward Pedestrian Warning, Lane Departure Warning, Headway Distance Warning, Speed Sign Monitoring and Intelligent High Beams.

BrakeSync

BrakeSync is the only factory-installed, factory-warranted integrated air supply for your tow vehicle brake system.

Also Standard:

- 15,000 lb. towing capacity
- 100-gallon fuel tank
- Automotive high-beam headlights
- Side-mounted radiator

SEASONAL ARTICLE

PLAN YOUR NATIONAL PARK RV TRIP

This season is the perfect time of year to begin planning your summer and fall RV road trips. Summer time and early fall tend to be the peak seasons for many of the national parks here in the U.S. Planning your trip further in advance will help you make sure you get to visit all the places you want—while parking your RV safely and comfortably.

National parks are popular destinations for many campers, and for good reason—their picturesque views and outdoor opportunities are unmatched. But, we don't recommend that you just pack up and go—many national parks have length restrictions for RVs and their towed vehicles. It's also wise to look into their camping amenities in advance to make sure you have access to everything you'll need. Keep in mind that camping in a national park is not your only option if you do want to visit, as there are nearby campgrounds outside of parks as well.

Check out the table below to learn about acceptable RV lengths at national parks by state. And remember that some length restrictions may include your towed vehicle.

ROADSIDE RECIPES

AIR FRYER CHEESY BREAKFAST EGG ROLLS

INGREDIENTS:

- 1/2 pound bulk pork sausage
- 1/2 cup shredded sharp cheddar cheese
- 1/2 cup shredded Monterey Jack cheese
- 1 tablespoon chopped green onions
- 4 large eggs
- 1 tablespoon 2% milk
- 1/4 teaspoon salt
- 1/8 teaspoon pepper
- 1 tablespoon butter
- 12 egg roll wrappers
- Cooking spray
- Optional: maple syrup or salsa

Recipe and photos from tasteofhome.com.

DIRECTIONS:

1. In a small skillet, cook sausage over medium heat until completely browned (about 4-6 minutes); drain. Stir in cheeses and green onions; set aside. Wipe skillet clean.
2. In a small bowl, whisk eggs, milk, salt and pepper until blended. In the same skillet, heat butter over medium heat. Pour in egg mixture; cook and stir until eggs are thickened and no liquid egg remains. Stir in sausage mixture.
3. Preheat air fryer to 400° F. With 1 corner of an egg roll wrapper facing you, place 1/4 cup filling just below center of wrapper. (Cover remaining wrappers with a damp paper towel until ready to use.) Fold bottom corner over filling; moisten remaining wrapper edges with water. Fold side corners toward center over filling. Roll egg roll up tightly, pressing at tip to seal. Repeat.
4. In batches, arrange egg rolls in a single layer on greased tray in air-fryer basket; spritz with cooking spray. Cook until lightly browned, 3-4 minutes. Turn; spritz with cooking spray. Cook until golden brown and crisp, 3-4 minutes longer. If desired, serve with maple syrup or salsa.

BERRY CHOCOLATE POUND CAKE SKILLET

Prep time: 10 min

Cook time: 10 minutes

Servings: 4-6

INGREDIENTS:

- 12-16 oz fresh berries
- 2 tablespoons sugar
- 1/4 cup butter
- 3/4 lb pound cake
- 2 Rolo candy bars (or chocolate of your choice)

DIRECTIONS:

1. Combine the berries and the sugar in a bowl and let sit until the juices start to release, 10-15 minutes. Cut the pound cake into 1" cubes.
2. Place a grate over hot coals, or heat up your grill. Add the butter to a 12" cast iron skillet and allow to melt. Add the pound cake to the hot skillet and cook, turning often, until all sides are toasted. Remove the skillet from the heat.
3. Sprinkle the berries over the top of the cake cubes, then the chocolate over the top. Cover the skillet with foil and allow to sit until the berries are warm and the chocolate is melted to your desire, or about 5-10 minutes.

FEATURED MEMBERS

JIM & JULIA ROBERTSON

My husband Jim and I own a 2019 Tiffin Phaeton 37BH. We think of it as our second home—it has everything that our house has, except a sewing room for my quilting.

Jim and I have enjoyed being members of the Freightliner Custom Chassis Owners Club since 2002. Before owning this coach, we had two others on Freightliner Custom Chassis. Our experience with the RV lifestyle began back in 1974 when our children were in high school. We had a 22 Brave by Winnebago which we enjoyed using, especially to attend our kids' football games. We now enjoy traveling with family and several good friends.

Also my husband and both sons are retired fire chiefs. We now have five grandchildren and five great grandchildren whom we love dearly. It is a wonderful life filled with many irreplaceable memories.

Some of our favorite places that we have traveled are Utah and South Dakota. We have now been to every state except the six far North Eastern states. We have made many incredible memories along the way. Perhaps the most memorable sight we've seen was all the lights coming on the Statue of Liberty and the New York City skyline, just a year after 911.

Take your time to see all that this great nation has to offer. There are many awesome sights.

Last month, two MASA members were traveling in their RV when suddenly one of them needed medical attention. 911 was called, & they were taken by ground ambulance to a local hospital. Soon, it was known he needed airlift to Big Town General for emergency surgery. After a 3 week stay they were transported back home to recuperate at their local hospital. Since that time, their RV was shipped back to their driveway.

ONLINE MEMBERSHIP UPDATE OR RENEWAL

Anyone can access our website without logging in by going to www.FCOCRV.org. When a Member wants to update their member profile or pay their dues, they will need to log in with two pieces of information: a membership number and a password. When a Member has difficulty signing in, it is usually either because they forgot to include the letter "F" at the front of their membership number, or because they forgot their password. If a new Member joins via our website, they will provide their own password at that time. New Members who apply by mail will receive their password by email when their registration information has been entered. Members can change their password at any time by logging in and updating their profile.

TO JOIN FCOC:

1. Select "Join FCOC" on the home page or in the top right corner of any page on the site.
2. Select the number of years you'd like to commit to and pay for.
3. Fill out all relevant fields. Those with an asterisk (*) must be completed.
4. Make note of the number in the "Username - Member ID" field. This is your FCOC ID number, which you'll need to log in to the site.
5. When you're finished, select your payment method and click "Sign Up" at the bottom. If you navigate away from this screen before clicking "Sign Up," your input will not be recorded and you will be required to start over.
6. Complete your payment information and follow instructions to submit.

TO PAY DUES:

1. Sign in using the "Membership Log In" fields on the home page or the "Sign In" link in the top right corner of any page on the site.
2. Once you've signed in, select "Renew / Pay Dues" in the upper right corner of your screen.
3. Select the number of years you'd like to commit to and pay for.
4. Double-check that the information that populates in the form fields is correct. If it is not, change anything you need to, and the updated information will be stored in the database.
5. Select your payment method and click "Sign Up" at the bottom. If you navigate away from this screen before clicking "Sign Up," your input will not be recorded, and you will be required to start over.

OFFERS FROM OASIS AND PARTICIPATING DEALERS

Freightliner Custom Chassis Corporation (FCCC) and select Freightliner Oasis dealerships around the country have initiated a program offering members of the Freightliner Chassis Owners Club (FCOC) special pricing on service labor and service parts.

The program offers current FCOC members the following discounts:
10% OFF POSTED LABOR RATES & 10% OFF PARTS.

It is important that you do the following; if you don't, you may not get the discount and it will be your own fault!

You MUST tell them you are an FCOC member up front, request the discount and identify yourself by showing your current membership card. Ask to get a copy of your billing with the discount on it once your work is done.

In developing the Oasis Dealer Discount Program, all Oasis Dealers were contacted and invited to participate. But, participation in the Oasis Dealer Discount Program is a business decision made by each individual Oasis Dealer.

If the Oasis Dealer you wish to use is not on the list of participating dealers, we would encourage you to let them know of your desire to have them participate in the program. Dealers wishing for more information about the program should contact Steven Bertling: phone (951) 491-1297, email VP.BUSDEV@FCOCR.V.ORG. Also, if you have any problem with any Oasis Dealer on the list, let Steven Bertling know, and he will try to help.

As a reminder, it's up to you to **ask first** for the discount, not after.

PLEASE REMEMBER: THESE OASIS DEALERS ARE SUPPORTING FCOC, SO PLEASE GO TO THESE DEALERS ONLY.

+ Some Dealers below offer hook ups for our RV Members. Look for the symbol to see which Dealers offer which hook ups:
