FCOC PRESIDENT'S MESSAGE

Welcome to fall! With the temperatures cooling and the leaves changing, it seems a wonderful time for exercising those RV tires one more time before winter closes in. Soon many of you will be putting your coach in storage or heading south for the next several months.

First, I apologize to all of our Super C members on the S2RV chassis. In September I released a survey to all club members asking for input on a variety of issues. The first two questions refer to diesel "pusher" motorhomes. It should have simply read "diesel" motorhome. This was entirely my error, which I realized only when it was called to my attention by a member with an S2RV Chassis. By then it was too late; I had already published the survey. Making changes at that point would have invalidated the data collected. Your input, the input of all our members is valuable.

I am compiling the survey data as a basis for my discussions with the Freightliner Custom Chassis Corporation (FCCC). Your completion of the survey allows me to show how our club supports FCCC and is a valuable asset in support of their sales. One thing I found from the survey is the high percentage of members who have never attended any of our events. I would like to invite every member to consider attending at least one event and discover the importance of the information presented and the friendships that can be developed. Additionally, I encourage all members to gather locally with other RVers, enjoy their friendship, share the common interest of RVing, share experiences and spread the word about the FCOC. Some of my favorite people are friends I met at an FCOC event.

In an effort to expand the FCOC reach, we are trying something different in Yuma, AZ next year. It will be a joint event in association with the Fleetwood Motorhome Association (FMA) and the Diesel RV Club (DRVC). We are excited to partner with these outstanding organizations to put on a Super Event. Partnering with other organizations provides us an opportunity to enrich our events with some different perspectives and information. It also allows others to peek inside the FCOC tent and discover the benefits of having a coach on a Freightliner Custom Chassis and being a member of the FCOC. So, make plans now to get in on the fun. This will be a trial run for us and if it works out as planned may lead to even larger Super Events in the future. Attendance will be limited to the first 150 coaches.

We are already organizing our national events for 2024, which are listed on the website. We are also planning an area event in conjunction with the Tampa Supershow in January 2024. As of this writing the details were not yet available, but they will be on the website as soon as we have them. The Supershow is great for our club as we set up an information table next to the FCCC booth and get to spend a few days telling folks about our organization and handing out lots of goodies (supplied by FCCC). There are lots of things to see and do, vendors, coaches, and accessories. Come join the fun!

These past few months have been a busy time for me. Lots of things to do and relationships to build. With the upcoming Thanksgiving and Christmas season, I hope we can all enjoy spending time with our family and friends. I wish you all a wonderful and safe holiday season. I hope I get to meet you at one of our events in the near future.

CLUB UPDATES

FCOC President, Steve Bertling

My wife Jan and I have been married for 37 years. I am a former Sheriff's Sergeant, Pilot and Aircraft Mechanic. I flew for The Riverside County Sheriff for 20 years and ran the Aviation Unit for the last ten, retiring from service in 2008. Jan is a Registered Nurse with a Master's Degree in Nursing, specializing in Healthcare Education. She was an OR nurse for 30+ years. She began teaching nursing in 2008, and retired in 2015.

We have been avid campers for years. We have traveled to many of the lower 48 states, but our longest trip was to Dawson City, Yukon. We have had two diesel pusher motorhomes, both on a Freightliner Custom Chassis. Our current coach is a 2018 Newmar Ventana 4037 which we bought new in 2019.

We have been active members of the FCOC since 2016. I was first elected to the Board as VP of Business development. I was elected Club President in June 2023.

We enjoy traveling in our motorhome with our mini Australian Shepard, Piper. We look forward to seeing each of you at one of our events!

Great Service

My wife and I jumped head first into motorhoming by purchasing a 2018 Newmar Ventana on a Freightliner Custom Chassis. To say I was overwhelmed would be an understatement. Before too long I noticed the front leaning to the right by 2".

I contacted Freightliner in Gaffney, SC and was put in touch with Bobby Scruggs, who told me about the Freightliner Custom Chassis Owners Club and the advantages of attending the rally in Myrtle Beach, SC. Moreover, he explained the Camp Freightliner class and spent over an hour on the phone with me talking me off the ledge and assuring me Freightliner would be there to fix the problem.

Rather than driving three hours to the factory in Gaffney, SC, I decided to take my coach 30 minutes from me to Velocity Truck Center in Greensboro, NC. I arrived at 7:00 AM and was greeted immediately by Chris Kimsey in the service department. Within four hours Chris called me and explained the problem. It appeared the axle had shifted to the right causing the airbags to be off-centered. Chris then put me in touch with Nelson in the body shop, who was tasked with putting the front axle back in place and aligning it. Nelson was patient and kind as he explained he would get it on the alignment machine as quickly as possible and make sure everything was within tolerance.

When I got home, I still had questions despite the immense amount of time everyone at Velocity had given me. I emailed Bobby Scruggs on the off chance he would see my email and respond. Not only did he respond to me immediately, but he was teaching a dealer training class and had a Velocity student who actually followed up on my chassis. He confirmed what needed to be done and explained the process.

You can imagine the roller coaster ride I have been on since making this significant purchase and discovering what I feared would be extensive repairs. The repairs have not been completed and I haven't gotten a final bill, but I am confident based on these organizations and outstanding employees that everything will be handled professionally, competently and fairly.

Again, thank you to your organization and all of those involved.

– FCOC Member Phil

FCOC Secretary, Pattee Perez

Hello! My name is Pattee Perez and I am your FCOC Secretary. My husband Chris and I became FCOC members after we bought our first Motorhome in 2016. We attended our first Event at Blackwell Island RV Resort, in Coeur d' Alene Idaho, where we met a lot of wonderful FCOC members and enjoyed a boat ride around Lake Coeur d' Alene. We try to attend two to three events every year. At each event we meet new friends and revisit old ones, and we always learn something new each time.

We have two sons, Christopher and Marcus, and two grandsons, Cody and Cristian. When we are not on the road attending FCOC events, in the summer and fall we like to travel to the California Sierra Mountains to fish and enjoy time with friends and family. In the winter we enjoy our California desert getaway where we love to take rides in our off-road vehicles to see the beautiful scenery.

We look forward to what FCOC has planned for 2024, looking forward to meeting up with old friends and meeting new.

Happy travels!

Message from Sr. VP

Freightliner Chassis Owners Club has several exciting events planned for our members for 2024. We are pleased to announce that so far we have one area and four national events planned. These begin in January in warm Florida and conclude in Tennessee during the Christmas Season. Exact dates and sign up information will be available on our website as each is finalized.

Beginning the lineup is our event at the Tampa Super Show during January. Having it at the Super Show will allow our attendees to experience the camaraderie of being with fellow club members, as well as being able to view hundreds of recreational vehicles, visit vendor booths, see new products and learn about how to make the most of the RV lifestyle.

Next will be our event in Yuma, Arizona in the beginning of April. This national event will be what we are referring to as a Super Event. This means that we will be joining forces with Fleetwood Motorhome Association and Diesel RV Club to have probably the largest event we have ever held. Collaborating with them will allow us to have a bigger budget to make this a fantastic event. We hope to be able to provide more professional entertainment, have more vendors, have more coaches on display and be able to provide a more diverse selection of educational seminars such as coach topics, in addition to the traditional chassis information. Camp Freightliner will also be offered at this event. We are working on having a larger class so that more attendees will be able to participate. If joining forces with other clubs is as successful as we anticipate, plan on more events like this in the future!

In June we will have our annual business meeting event in Branson, Missouri. We are planning on making this a more family friendly event, so hopefully members will bring their children and/or grandkids with them. The campground there offers many activities for all ages to enjoy. Everything from the worldwide famous Silver Dollar City, professional entertainment and dinner shows, to an extremely tall ferris wheel ride are available for your enjoyment. Again, Camp Freightliner will be available for those wishing to attend.

Our third national event will be in exciting Las Vegas, Nevada in October. This is the time of year which should bring cooler temperatures, so in addition to being able to enjoy indoor activities you should be able to do outdoor things as well. This can be anything from exploring the downtown area and the "strip" to going outside of the city to see the many fantastic resources that the desert has to offer. Once again, Camp Freightliner will be offered at this event.

The fourth national event planned will be in Sevierville, Tennessee in early November. We decided to go back here due to the popularity of the event we had there in 2022. Christmas festivities should be in full swing, the area really gets involved in celebrating the holidays. There are many shows to attend in addition to the renowned Dollywood. Visiting this area should definitely get you in the Christmas Spirit! Camp Freightliner will also be taught after the event.

In addition to the aforementioned events there is also a good possibility of having more area events scheduled throughout various parts of the country. As always, we are looking for members to host or co host events. Additionally, if you know of parks where we can hold events please let me know. We are currently looking for both a host and co-host for the Branson event and a co-host for Las Vegas. We would also like to talk to anyone possibly thinking about holding an area event. If interested please contact me, Steve Jeanneret at syjeanneret@gmail.com or 785-220-8673.

Free Rally Winner: **Bob & Portia Williams** F269465

Bob and Portia Williams were randomly selected from our pool of survey responders to win the event of their choice in 2024.

Thank you to all members who completed the survey. Your input is very valuable.

Last month, two MASA members were traveling in their RV when suddenly one of them needed medical attention. 911 was called, & they were taken by ground ambulance to a local hospital. Soon, it was known he needed airlift to Big Town General for emergency surgery. After a 3 week stay they were transported back home to recuperate at their local hospital. Since that time, their RV was shipped back to their driveway.

MESSAGE FROM

Holiday Greetings from the Freightliner family!

The most recent and most exciting news to cover is the 54th annual Hershey Show, where Freightliner Custom Chassis launched the exciting new V-Series. Over 45,000 people attended America's Largest RV Show® September 13-17 in Hershey, Pennsylvania. FCCC revealed the brand new V-Series suspension system that seamlessly unites the proven V-Ride rear suspension with a dynamic new VFS front suspension to deliver front-to-back stability, responsiveness and comfort with IFS-like performance. The V-Series brings premium handling and stability, plus safer, controlled braking to a wider range of coaches in the Class A market. If you missed us at the show in Hershey, be sure to attend the Tampa Supershow!

With the holiday season upon us, many of us will be traveling, visiting family and friends all over the country. With more time spent on the road in wintery conditions, be sure to slow down and take your time driving so that you and your loved ones arrive safely. And, don't forget you can call 24/7 Direct 1-800-FTL-HELP or use our My24/7 mobile app for reliable roadside assistance. Find comfort in knowing FCCC is with you on the road, keeping you protected!

We also embrace the holiday spirit this time of year being grateful and thankful for all the good we have in our lives, prioritizing quality time with those near and dear to us. We've included some fun road trip destinations as well as some festive roadside recipes you can make during your travels.

We wish everyone a safe, happy holiday season!

THINGS TO DO AND SEE NEAR TAMPA

VISIT YBOR CITY.

Ybor City is conveniently located just north of downtown Tampa. It also happens to be the only neighborhood on Florida's west coast that has been designated a National Historic Landmark District. Founded by Vicente Martinez-Ybor, this area has a rich and diverse culture. 7th Avenue, the main commercial street, has also been recognized as one of the "10 Great Streets in America."

SEE THE MANATEES.

Tampa Electric provides the warm water manatees love. Their Big Bend Power Station in Apollo Beach circulates water from Tampa Bay for cooling, then sends the water flowing clean and warm back into the bay. In the winter months, the manatees leave colder waters to return to this warm and welcoming refuge. Because of this uniquely unusual migration, they've created a Manatee Viewing Center so everyone can have a chance to see manatees gather. Their discharge canal is a state and federally designated manatee sanctuary that provides critical protection from the cold for these unique, gentle animals.

YUMA, ARIZONA

April 8-12, 2024

ABOUT YUMA

Yuma lies in the southwest corner of Arizona on the banks of the Colorado River and is near the Mexican and Californian borders. It is the largest city in Arizona outside the metro areas of Phoenix and Tucson. There are abundant things to see and do in the Yuma area including several golf courses, museums historic parks, as well as casinos. The old downtown area has an historic theater with shows and performances throughout the year, several art galleries, boutique shops, and locally owned restaurants.

Yuma played a significant role in Arizona's old west history. Visitors can visit two historic parks in town. The Yuma Territorial Prison comes to life in the film "3:10 to Yuma," and it was an actual prison until 1909. Much of the jail was built from quarried granite and still stands today. It features exhibits in the prison museum. There is also a 10-acre Yuma Quartermaster Depot. This is another historic park dating back to 1864. The military used it for 20 years as a warehouse to store supplies of food, clothing, ammunition and other items. Approximately nine hundred mules were held in the area, ready to support teamsters on their journeys to supply military forts in other states. You can start at the park and visitor center to begin exploring the historic buildings and grounds.

2024 SPRING RALLY

Please join us for the first Freightliner Chassis Owners Club National SUPER EVENT, which will be held in Yuma, Arizona. For this event we are joining forces with Fleetwood Motorcoach Association (FMA) and Diesel RV Club (DRVC). Coupling with these two groups will give us the opportunity to expand the content of our seminars to include information on the coach itself in addition to chassis education.

We are pleased to be able to offer seminars on topics such as air conditioning, electrical, batteries, slideouts, and more. Although the exact agenda of seminars has not yet been established, you can rest assured that there will be many topics of concern for all recreational vehicle owners.

The rally will begin on Monday, April 8, and conclude with departure on Friday, April 12. The Camp Freightliner class will be conducted on Saturday, April 6th, and Sunday, April 7th. As always there will be an abundance of educational seminars, food, professional entertainment, crafts and mostly fun. There will also be time for exploration of the local area for those that wish to do so. Additionally, we are going to work with a local RV dealer to get coaches on display for your viewing pleasure.

Cost for the event is \$450 for two members in the coach, \$350 for one. For each additional person over two add \$110 each. For those wishing to attend the Camp Freightliner class remember you will need to pay them directly for the cost of class. Enrollment information for this will be included in the confirmation letter you receive from us after signing up for the rally. Simply state that you wish to attend Camp Freightliner on the registration page for the rally, and we will send you the information needed to get into the class.

Any questions please contact Pattee Perez at perezcnp@att.net or call 949-697-8893.

Registration is now open. We look forward to seeing you in Yuma.

FCOC PRESIDENT STEVE BERTLING

Steve and his wife Jan have been married for 37 years, and living the RV lifestyle for over 30 years, since their first 1992 Bouncer days. But Steve's love of camping and spending time in the outdoors reaches far back to his childhood in the 1950s in Kansas. Life on the road, with adventures awaiting at every turn suits Steve, a retired Sheriff's Sergeant, Pilot and Aircraft Mechanic. He flew for The Riverside County Sheriff for 20 years and ran the Aviation Unit for the last ten, retiring from service in 2008.

Steve and Jan, a retired nurse, currently travel the country in their 2018 Newmar Ventana 4037, which has a Freightliner Custom Chassis and features a spacious floorplan perfect for their travels. "We used to have a 2007 Winnebago, which we loved," says Steve. "But when it came time to replace it, we visited a lot of manufacturing plants and assemblies to really learn about the mechanics. That's when we decided on our Newmar."

Steve says one of the most memorable (and longest) drives they've taken was a 10,000 mile road trip to Dawson City, Yukon in 2015 — but says each of their explorations starting from their Southern California home base holds a special memory they cherish. As current president of the FCOC, Steve's duties have him and Jan (and their mini-Australian Shepherd, Piper) on the road even more, hitting 20,000 miles for 2023.

"There are so many things across this country to see and do," says Steve. "Every place we go, we take our motorhome. We really like the Pacific Northwest, and spend a lot of time in coastal Oregon. Another one of our favorite trips was to Louisiana, where we took a Honey Island Swamp Tour and saw alligators, raccoons, snakes and all kinds of swamp life. That was a really cool thing to do."

Steve became involved in the FCOC in 2016 after he and Jan attended a rally in Idaho, where they learned a lot about RVing, and met lifelong friends they travel with today. "We were able to reserve a spot with the Green's, who we met at the Idaho Rally, and spent a wonderful two weeks camping with them," says Steve. "Yellowstone is just an amazing spot and it's a really awesome trip."

A well-run, organized rally can be a goldmine for manufacturer information, seeing the newest models, service resources, recent improvements in technologies, festive mingling with fellow RVers, and all in all a really good time. Steve says he and Jan are grateful for the close friendships they've made during their life on the road, and look forward to many more memories to come in the future years through their involvement in the FCOC.

"The owner's club has become such a source of great friendships for us," says Steve.

ROADSIDE RECIPES

BEST SOFT CHRISTMAS COOKIES

Prep time: 20 min Cook time: 15 minutes Servings: 48

INGREDIENTS:

- | | |
|--------------------------------|-------------------------------|
| - 3 3/4 cups all-purpose flour | - 1 cup margarine, softened |
| - 1 teaspoon baking powder | - 2 eggs |
| - 1/2 teaspoon salt | - 2 teaspoons vanilla extract |
| - 1 1/2 cups white sugar | |

DIRECTIONS:

1. Sift flour, baking powder, and salt together in a medium bowl; set aside.
2. Beat sugar and margarine in a large bowl with an electric mixer until smooth. Beat first egg into butter mixture. Beat second egg into mixture along with vanilla extract; add flour mixture and stir until dough is just combined. Wrap dough; chill in the refrigerator for 2 hours.
3. Preheat the oven to 400°F (200°C). Grease two cookie sheets.
4. Roll out dough on a clean floured surface to 1/4-inch thickness. Cut out shapes using cookie cutters; arrange them on the prepared cookie sheets. Gather scraps and repeat this step.
5. Bake in batches in the preheated oven until edges are golden, about 6 to 8 minutes. Cool on the baking sheet briefly before removing to a wire rack to cool completely.

ONLINE MEMBERSHIP UPDATE OR RENEWAL

Anyone can access our website without logging in by going to www.FCOCRV.org. When a Member wants to update their member profile or pay their dues, they will need to log in with two pieces of information: a membership number and a password. When a Member has difficulty signing in, it is usually either because they forgot to include the letter "F" at the front of their membership number, or because they forgot their password. If a new Member joins via our website, they will provide their own password at that time. New Members who apply by mail will receive their password by email when their registration information has been entered. Members can change their password at any time by logging in and updating their profile.

TO JOIN FCOC:

1. Select "Join FCOC" on the home page or in the top right corner of any page on the site.
2. Select the number of years you'd like to commit to and pay for.
3. Fill out all relevant fields. Those with an asterisk (*) must be completed.
4. Make note of the number in the "Username - Member ID" field. This is your FCOC ID number, which you'll need to log in to the site.
5. When you're finished, select your payment method and click "Sign Up" at the bottom. If you navigate away from this screen before clicking "Sign Up," your input will not be recorded and you will be required to start over.
6. Complete your payment information and follow instructions to submit.

TO PAY DUES:

1. Sign in using the "Membership Log In" fields on the home page or the "Sign In" link in the top right corner of any page on the site.
2. Once you've signed in, select "Renew / Pay Dues" in the upper right corner of your screen.
3. Select the number of years you'd like to commit to and pay for.
4. Double-check that the information that populates in the form fields is correct. If it is not, change anything you need to, and the updated information will be stored in the database.
5. Select your payment method and click "Sign Up" at the bottom. If you navigate away from this screen before clicking "Sign Up," your input will not be recorded, and you will be required to start over.

OFFERS FROM OASIS AND PARTICIPATING DEALERS

Freightliner Custom Chassis Corporation (FCCC) and select Freightliner Oasis dealerships around the country have initiated a program offering members of the Freightliner Chassis Owners Club (FCOC) special pricing on service labor and service parts.

**The program offers current FCOC members the following discounts:
10% OFF POSTED LABOR RATES & 10% OFF PARTS.**

It is important that you do the following; if you don't, you may not get the discount and it will be your own fault!

You MUST tell them you are an FCOC member up front, request the discount and identify yourself by showing your current membership card. Ask to get a copy of your billing with the discount on it once your work is done.

In developing the Oasis Dealer Discount Program, all Oasis Dealers were contacted and invited to participate. But, participation in the Oasis Dealer Discount Program is a business decision made by each individual Oasis Dealer.

If the Oasis Dealer you wish to use is not on the list of participating dealers, we would encourage you to let them know of your desire to have them participate in the program. Dealers wishing for more information about the program should contact Steven Bertling: phone (951) 491-1297, email VP.BUSDEV@FCOCR.V.ORG. Also, if you have any problem with any Oasis Dealer on the list, let Steven Bertling know, and he will try to help.

As a reminder, it's up to you to **ask first** for the discount, not after.

PLEASE REMEMBER: THESE OASIS DEALERS ARE SUPPORTING FCOC, SO PLEASE GO TO THESE DEALERS ONLY.

+ Some Dealers below offer hook ups for our RV Members. Look for the symbol to see which Dealers offer which hook ups:
